No people are uninteresting.

Their fate is like the chronicle of planets
Nothing in them is not particular,
and planet is dissimilar from planet.

And if a man lived in obscurity
making his friends in that obscurity
obscurity is not uninteresting.

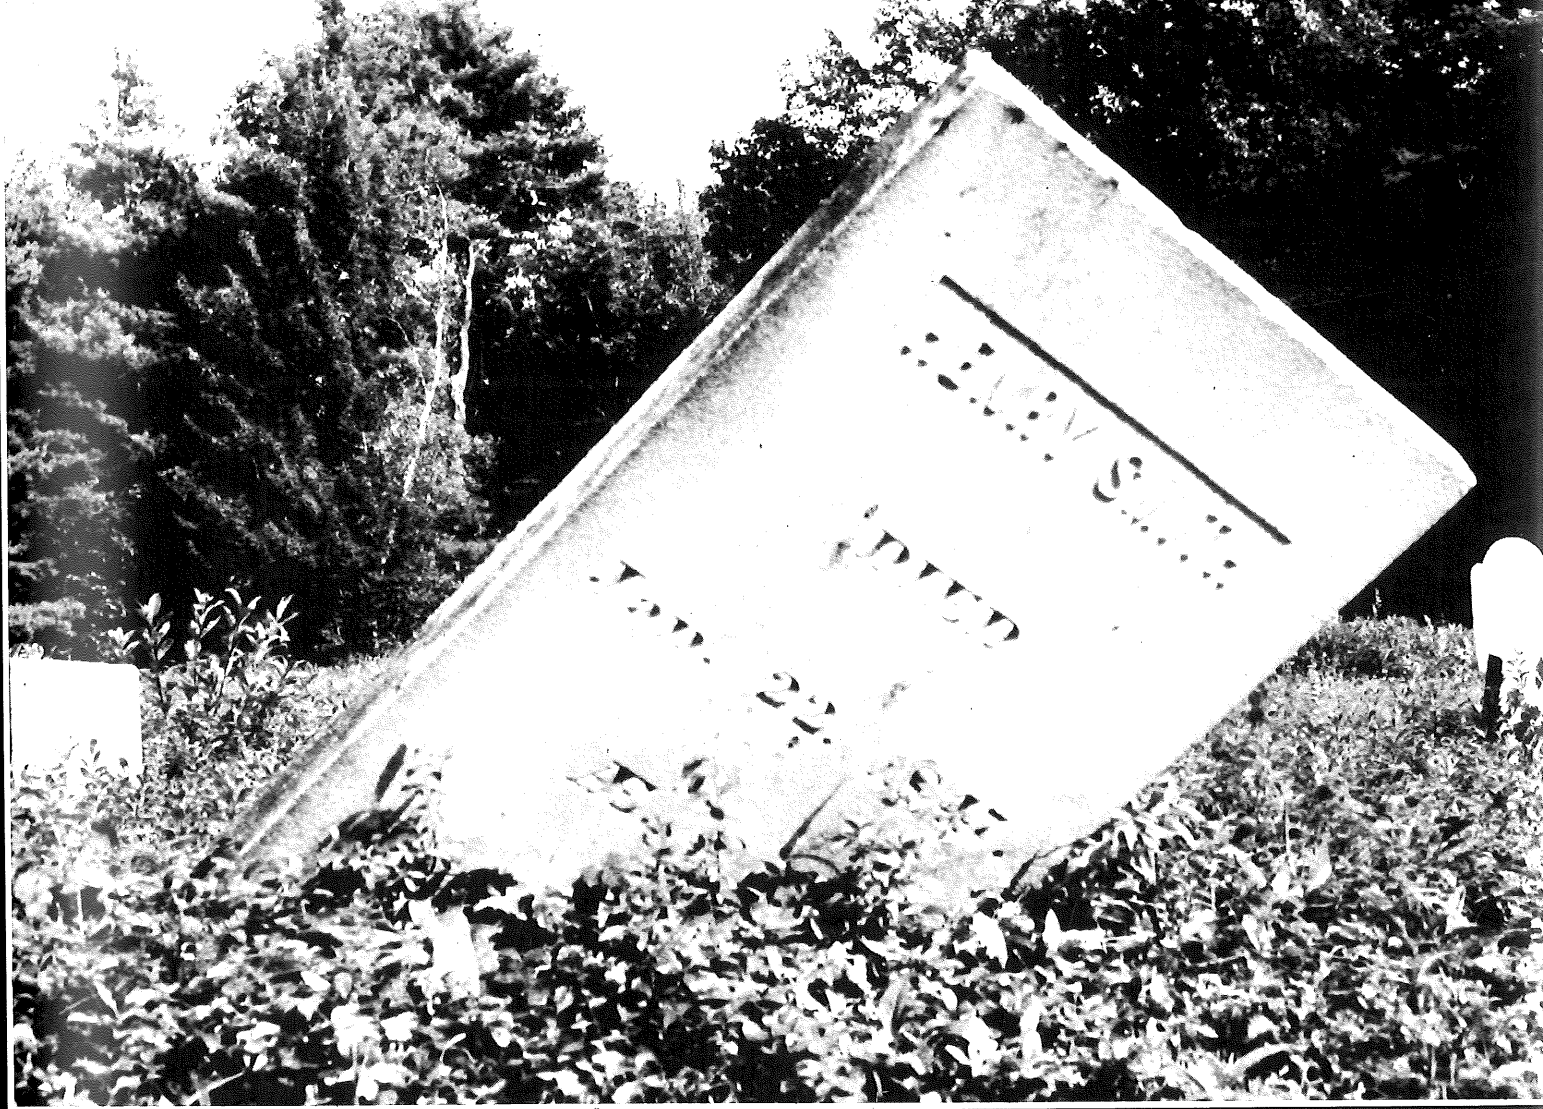

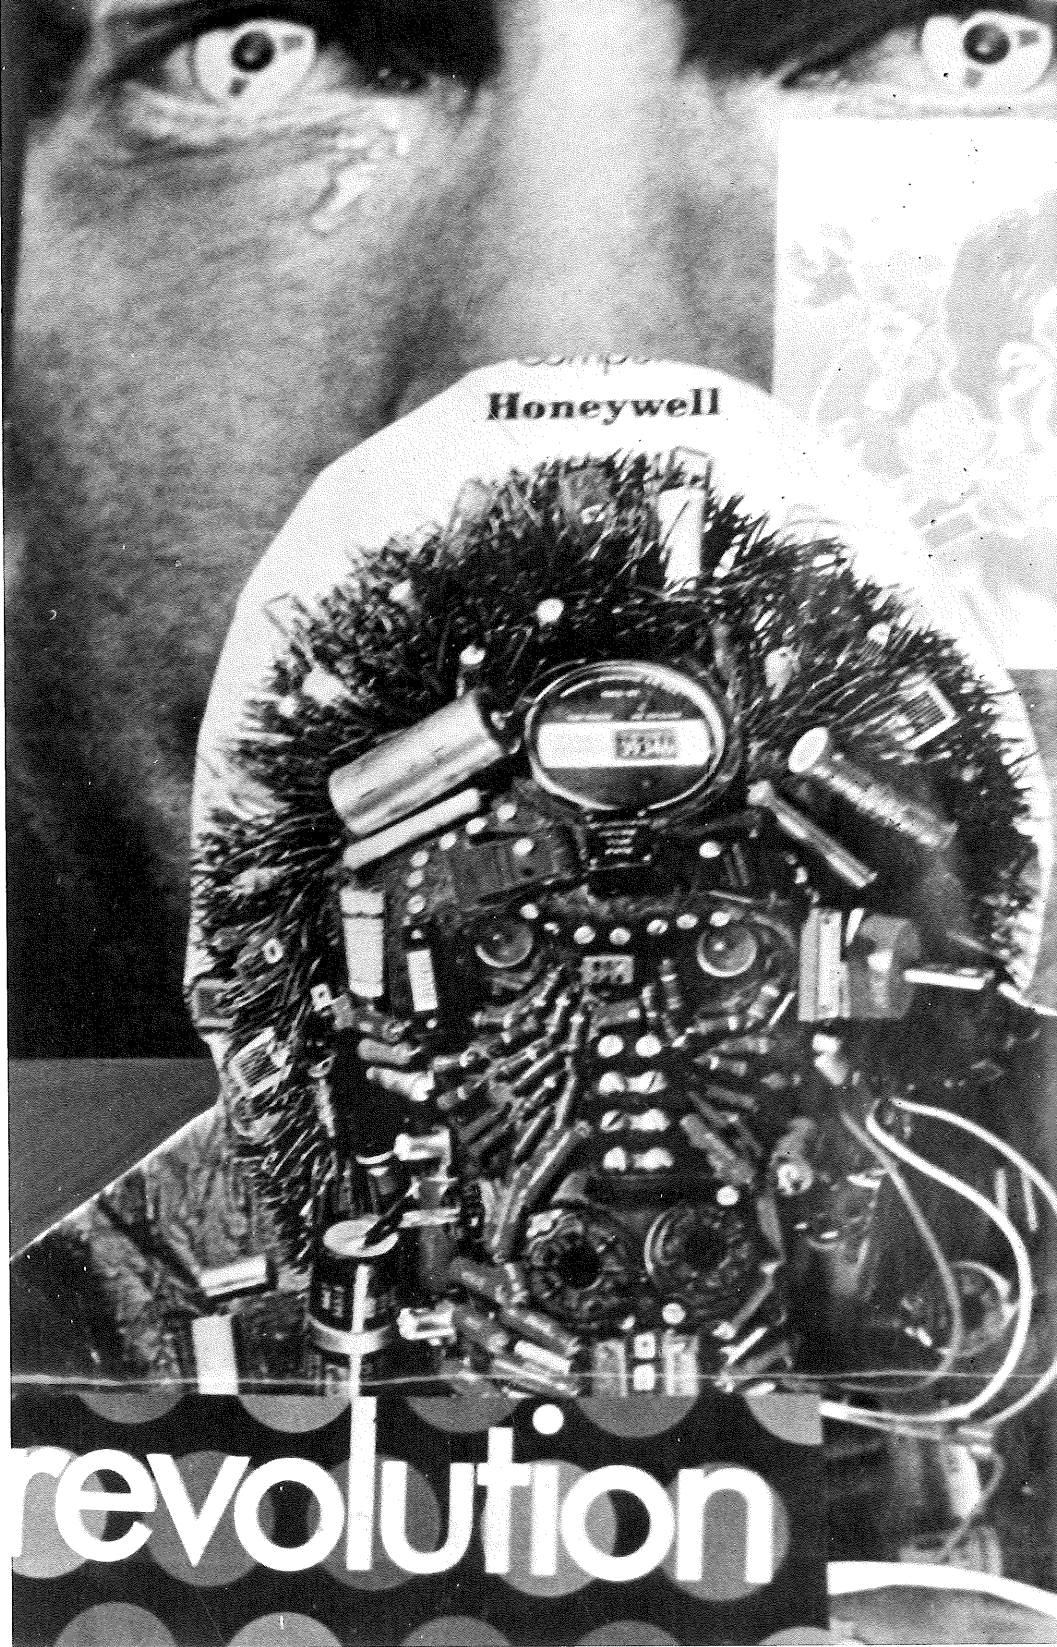

To each his world is private,
and in that world one excellent minute.
And in that world one tragic minute.
These are private.

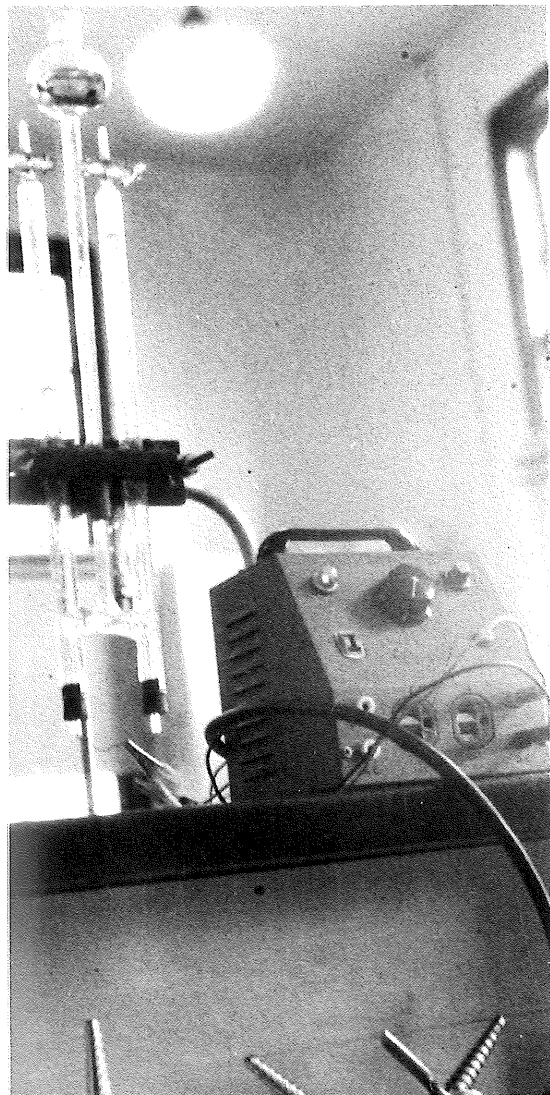

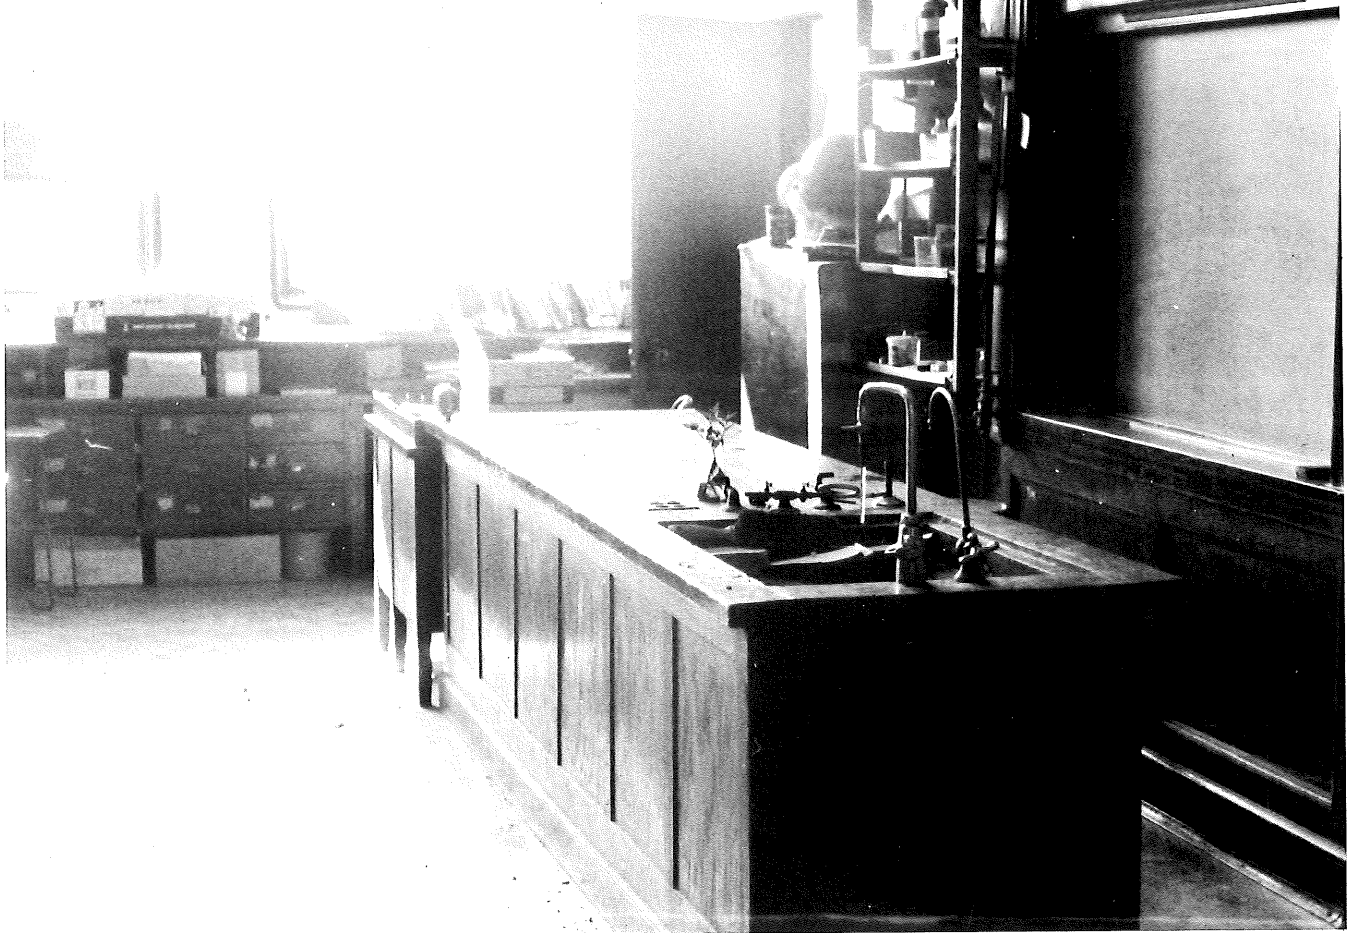

Such a fine first dream . . .
But they laughed at me . . . They
said
I had made it up.

— Takuchi —

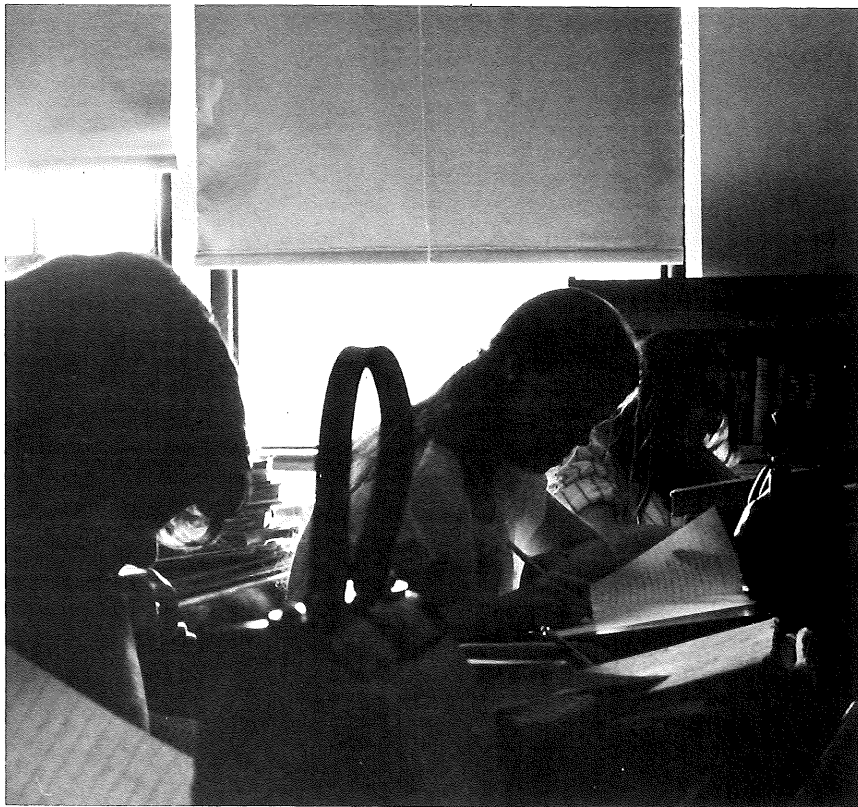

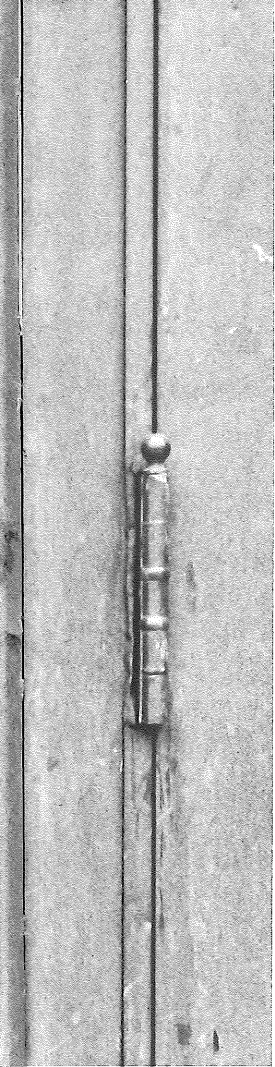

In any man who dies there dies with him
his first snow and kiss and fight.
It goes with him.

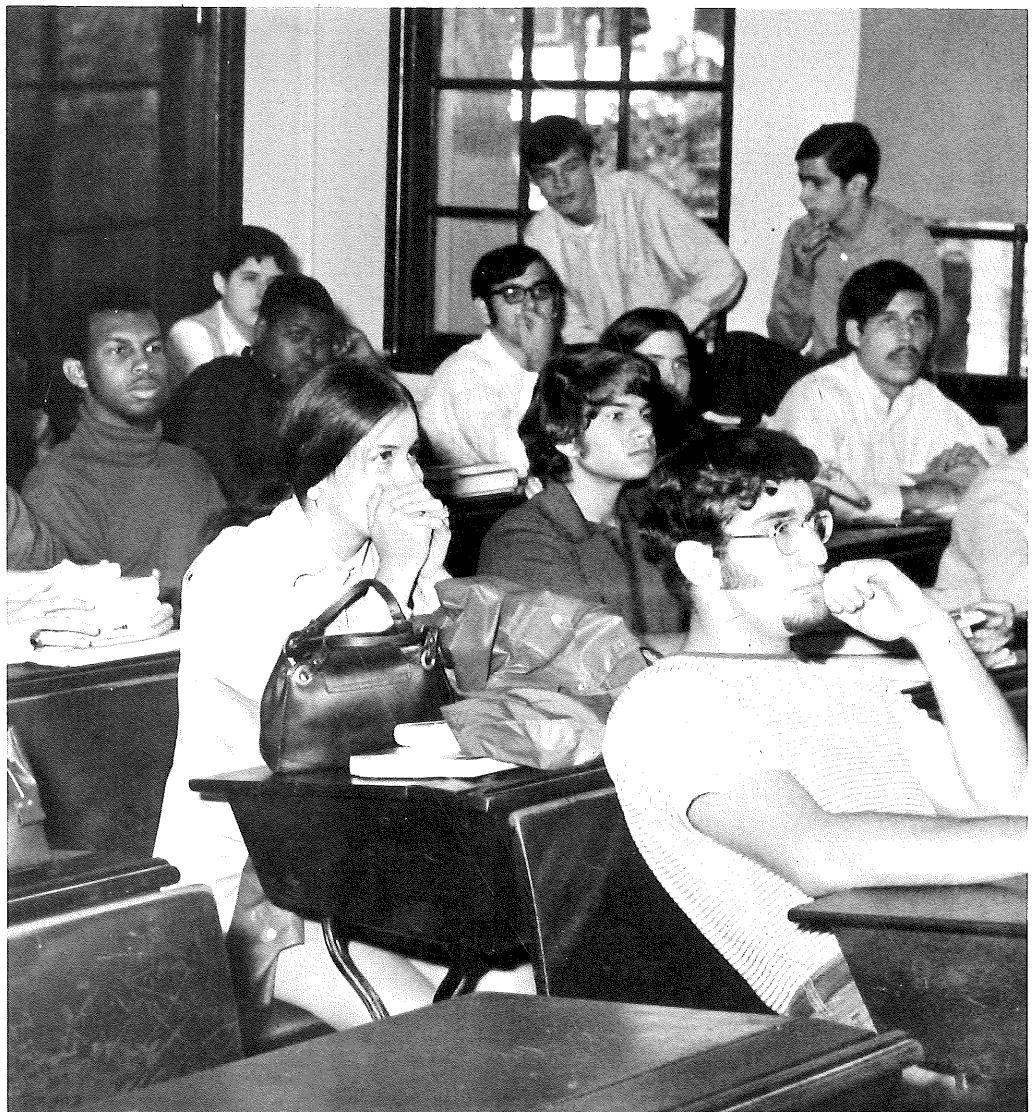

They are left his books and bridges
and painted canvas and machinery.
Whose fate is to survive.

Bulkeley the institution will survive,
but will the individuals within it?
Apathy, overcrowding, and alienation
answer a pessimistic no.

Concern, understanding, and human individuality plead yes.

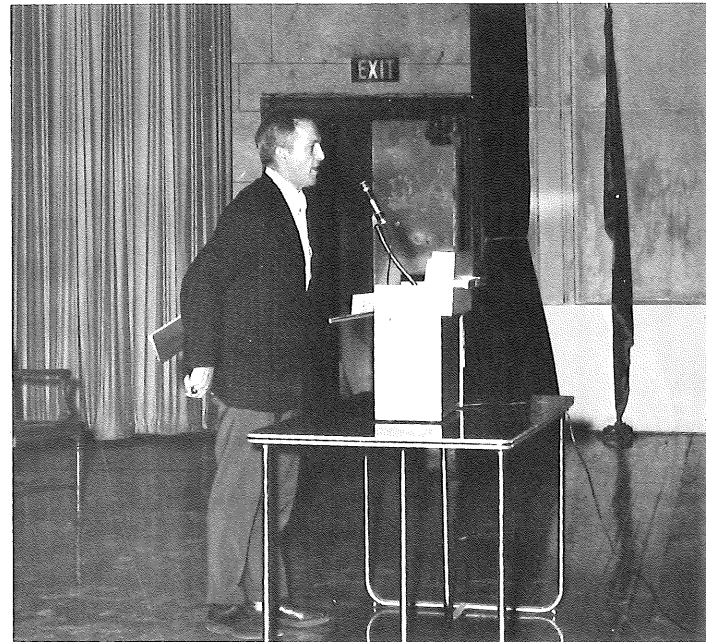

Academics

Surviving
 One crisis after another,
 The Bulkeley administration
 Attempts
 To keep the school running
 Smoothly.
 Preserving a feeling

Survival?
'71

**“You Can’t Always Get What You Want,
But if You Try Sometimes,
You Just Might Find,
You Get What You Need.”**

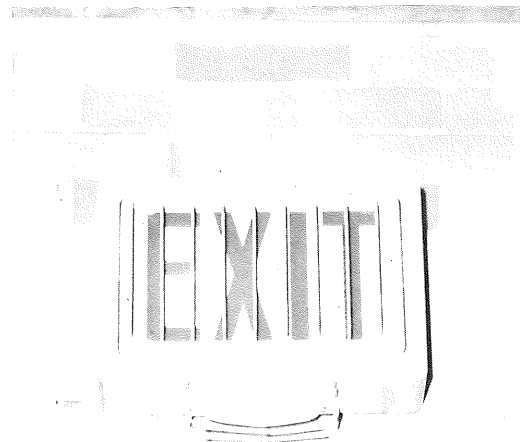

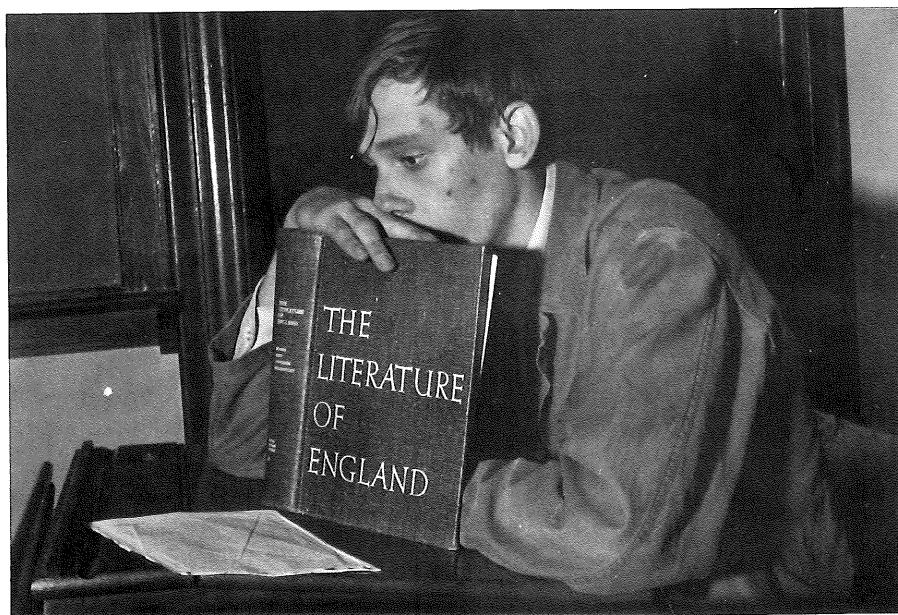

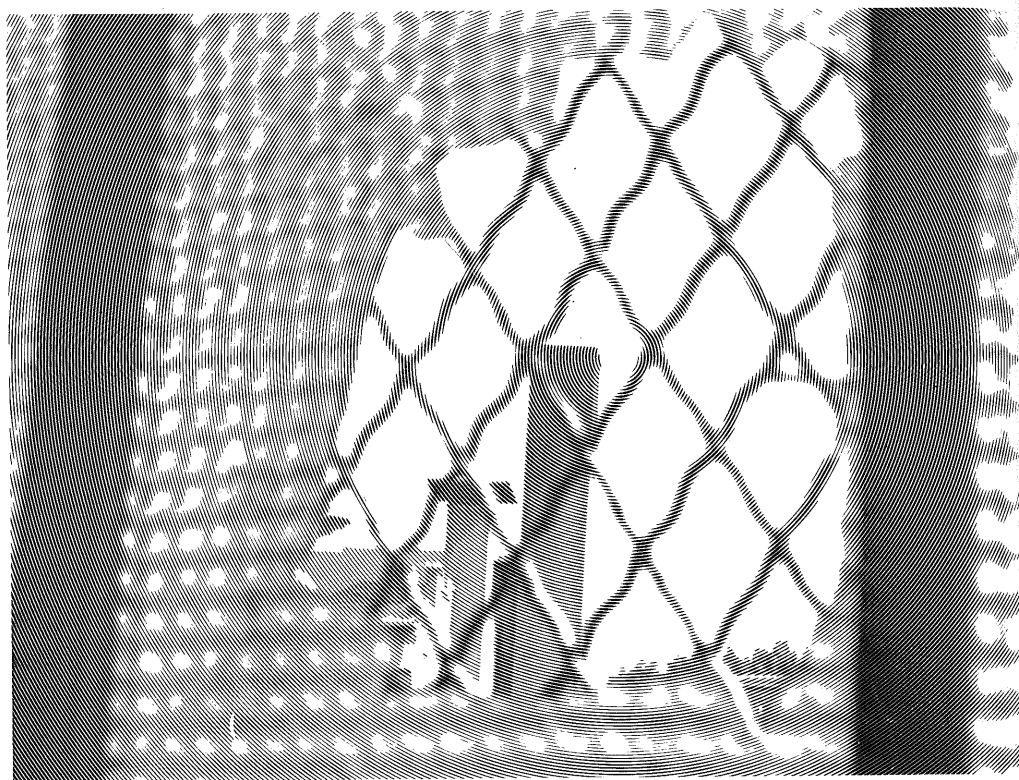

Jagger/Richards

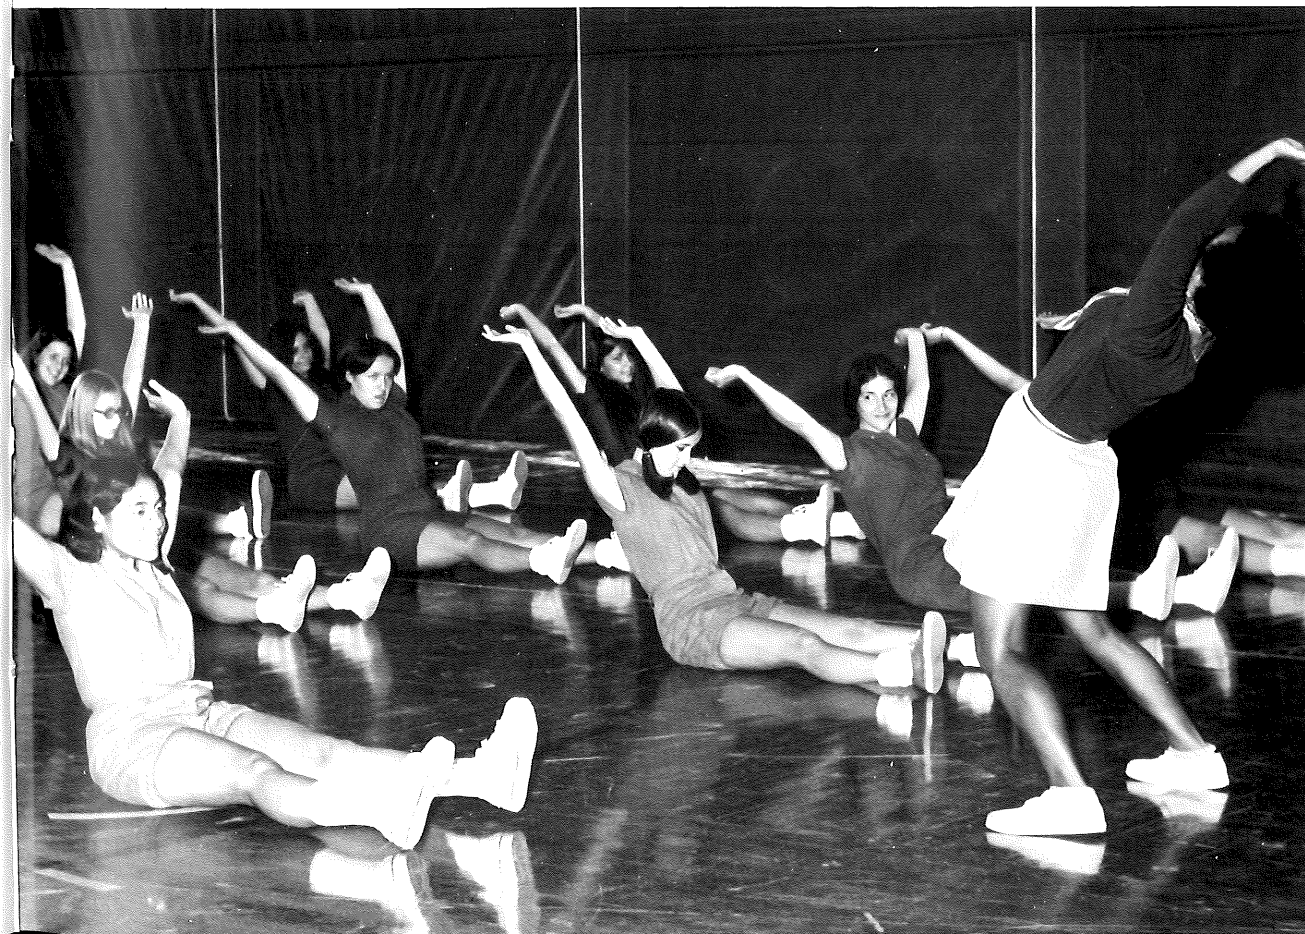

Sometimes you wonder if
It's all really necessary.
Sometimes it isn't,
Usually it is.

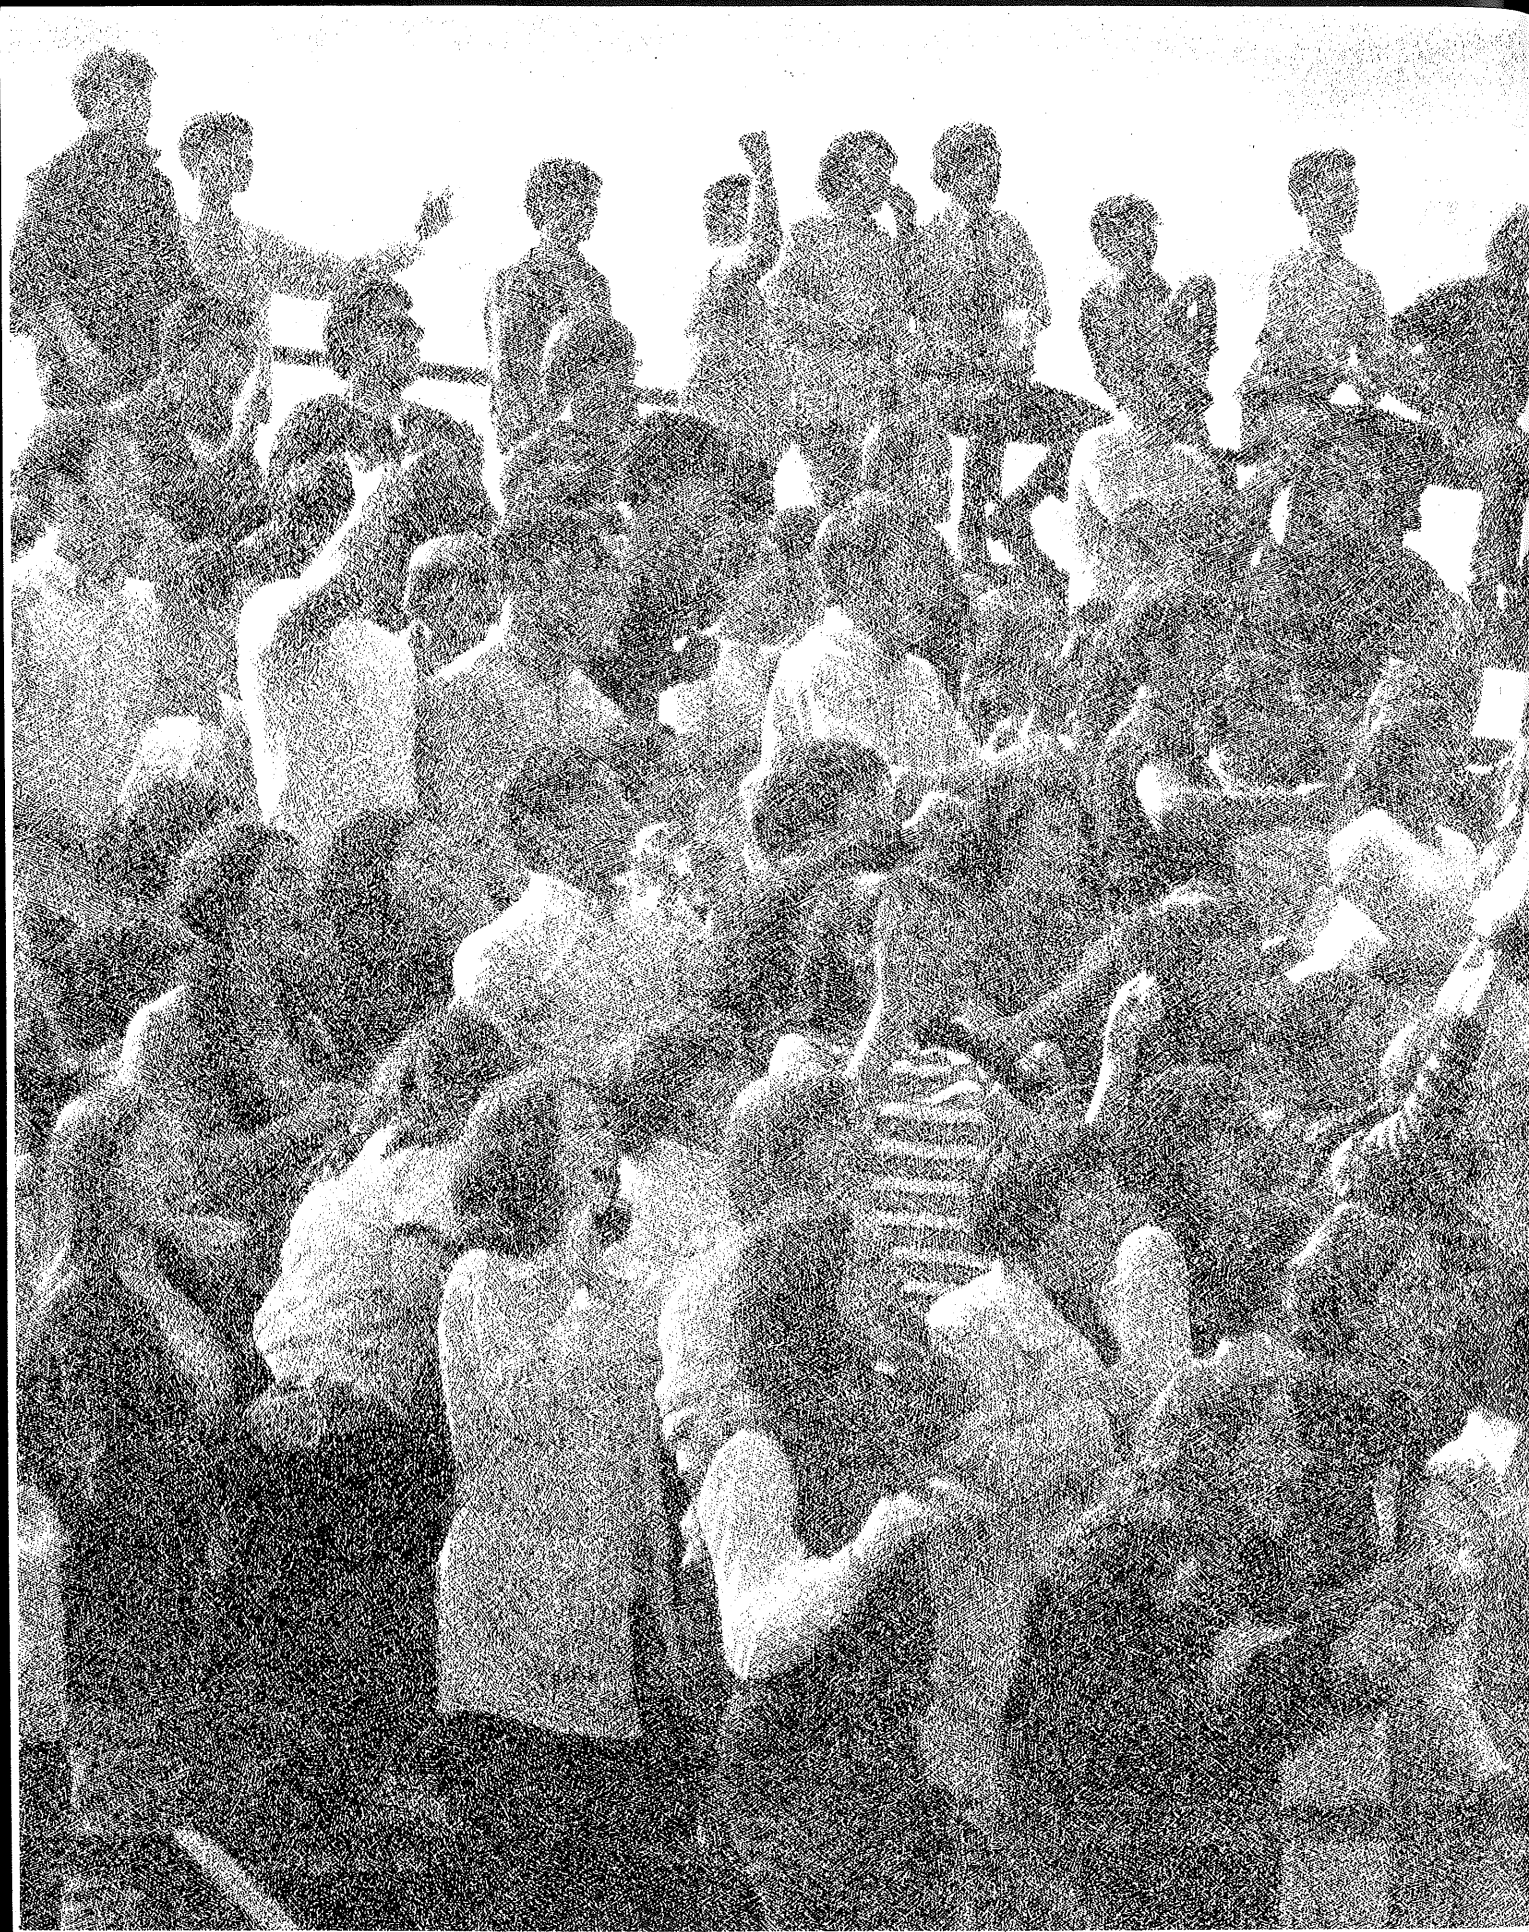

Study will pay off
In the future;
Try to convince yourself.
Art will broaden
Your horizons;
Try to convince yourself.
Gym is necessary
For proper health;
Try to convince yourself.
For after
All the looking out
Is through,
And the last exit
Is passed,
You will be convinced.

“Politics Of Sex”

Is the “American Dream” for men only? Should “history” be replaced by “herstory”? According to the “Women’s Liberation Front” — yes! Little do many people realize that the Women’s Lib is very sincere in its movement. Its followers recently protested in front of the Playboy building. Some members are taking up karate, running for political positions and planning the liberation of themselves from “dehumanizing sexual-role definitions.”

How does the general public feel about this movement? The reactions vary. Enthusiasts feel that it is the greatest movement in years. “Male-chauvinists” feel it is an absurd movement by the unloved and insecure portion of the female population. And then of course there are those who are living in their little vacuums without any knowledge of its existence. That does not seem to be the case here at BHS. Both teachers and students have very definite ideas about the Liberation Front. That is, just about all have ideas. The reactions were as follows:

- No Comment!
- It’s great for girls who want it, but I like being treated like a lady.
- I think that men should be superior to women.
- I love it.
- If they want to be masculine, let them be that way.
- I like ‘em better in pants.
- I’ve been liberated for a long time now, and it’s about time they started a movement. But it’s the individual who is superior — not the man or woman.
- I’m all for it. It will cut down my chances of going to Wogland!
- All supporters have good points.... but their hair covers it very nicely!

Ghost Riders Sighted

Recently, riding bicycles has become the thing to do. In early October, New York's mayor John Lindsay led a parade of bicycle riders down the main street of that city, as a measure against pollution.

Hartford too, has its bicycle riders. In fact, two members of the Bulkeley faculty have been seen riding their bikes to school. They have been tentatively identified as Mr. James Brophy and Mr. Felix Karsky of our History Department.

The following is a press release procured by Torch Staff Reporter,

Teresa Kupidura from the alleged riders:

"An informed source from the office of Brophy-Karsky Productions denied yesterday that either man had taken up bicycle riding because his license had been lifted."

"It was also categorically denied that neither Mr. Karsky's recent stay in the hospital nor Mr. Brophy's noticeable limp had anything to do with falling off bicycles."

"There is no truth to the rumor that Mr. Brophy is trying to lose the twenty pounds he has gained since a recent increase in well balanced meals."

The candidates say yes!
The voters aren't so sure
But are confident —
With Neal Moylan at the helm.

HARTFORD BOARD OF EDUCATION 8203-527-4191

Medill Bair
Superintendent of Schools

#70-S-76

November 17, 1970

To all our Staff:

The strike has failed. Our schools are still open. Our job now, as we employ additional personnel and as teachers return to the job, is to continue making those changes in assignment and in scheduling which will give our youngsters the best possible education. Let us capitalize on the strengths of each of our people so that pupils will not suffer by the ill conceived and illegal moves to close our schools.

Our strength is that we are trained to educate. Our weakness is that we are not experts on strikes. We must build on our strengths. Today we must consolidate our school situation, examine our needs, and employ any additional personnel required. Generally, we must take all steps necessary to improve the educational opportunities for each boy and girl.

We appreciate the dedication and cooperation of the many people who have carried on during this crisis. Our certificated and classified staff carried out their responsibilities in a superb fashion. Parents rose to the occasion and have been helpful in innumerable ways. And we will never forget the helpfulness of our students. All richly deserve our commendation.

Do It!

Midnight in the Jungle

Entering a jungle atmosphere,
Couples in elegant gowns
And rented tuxes
Swing to the beat of
Patches of Blue,
And enjoy a memorable
Jungle safari.

The Class of '71 Is Inn

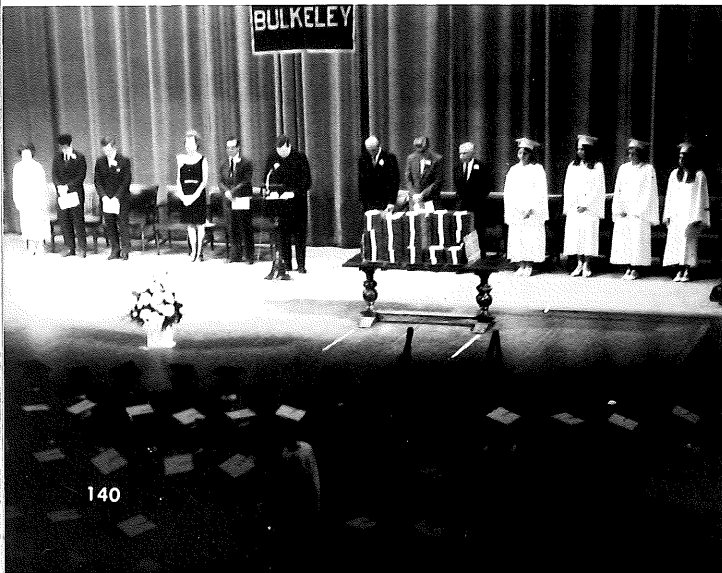

Deciding on decorations,
Planning refreshments,
Arranging for flowers,
And discussing music,
The Senior Reception
Committee
Prepares for a truly
Unforgettable affair.

"It's been a long time coming . . .

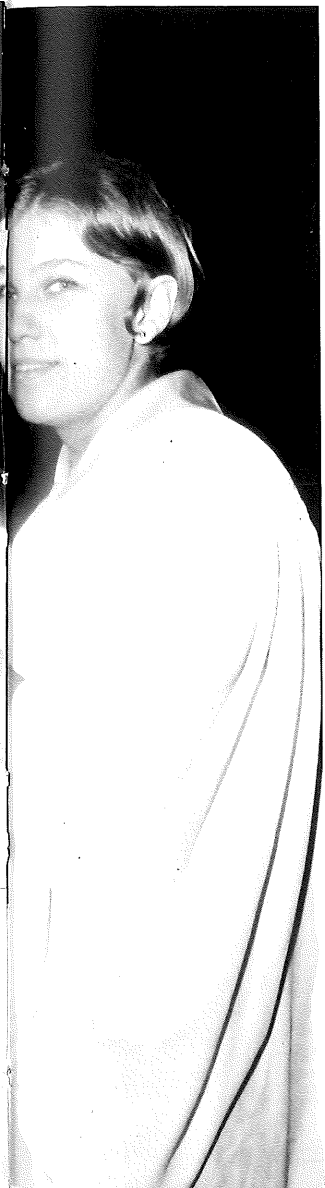

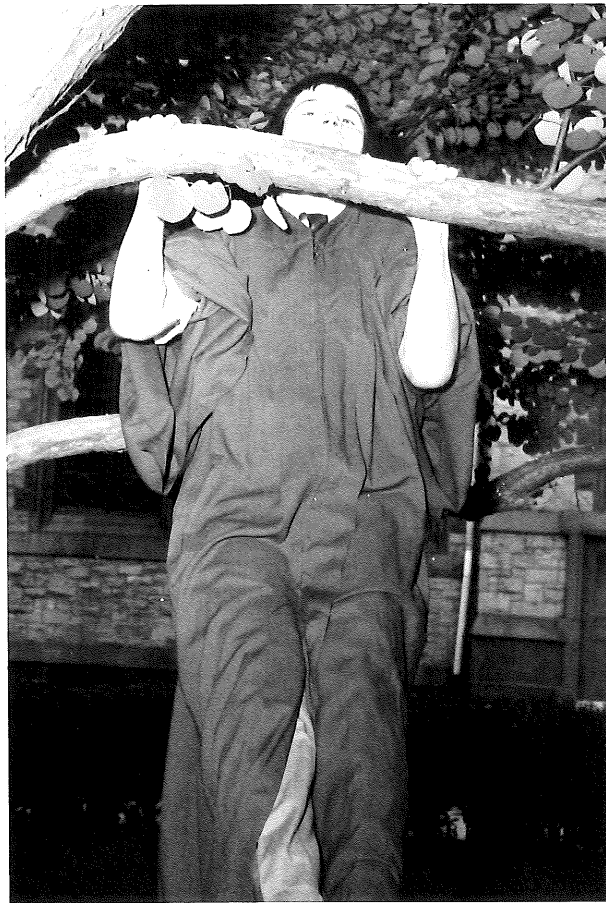

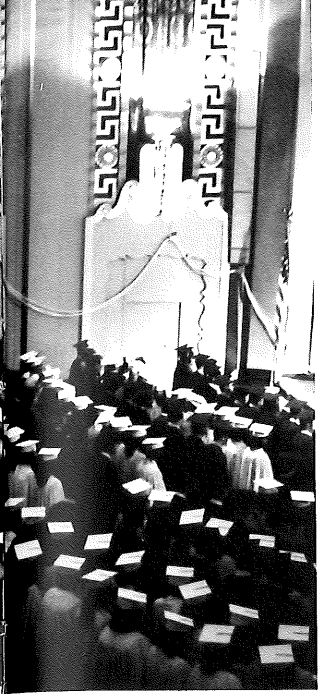

Students,
Lost in the depths of
Confusion,
Reaching out —
Searching for
Meaning and
Understanding in the
Darkness of the
Crowded halls and
Empty classrooms.

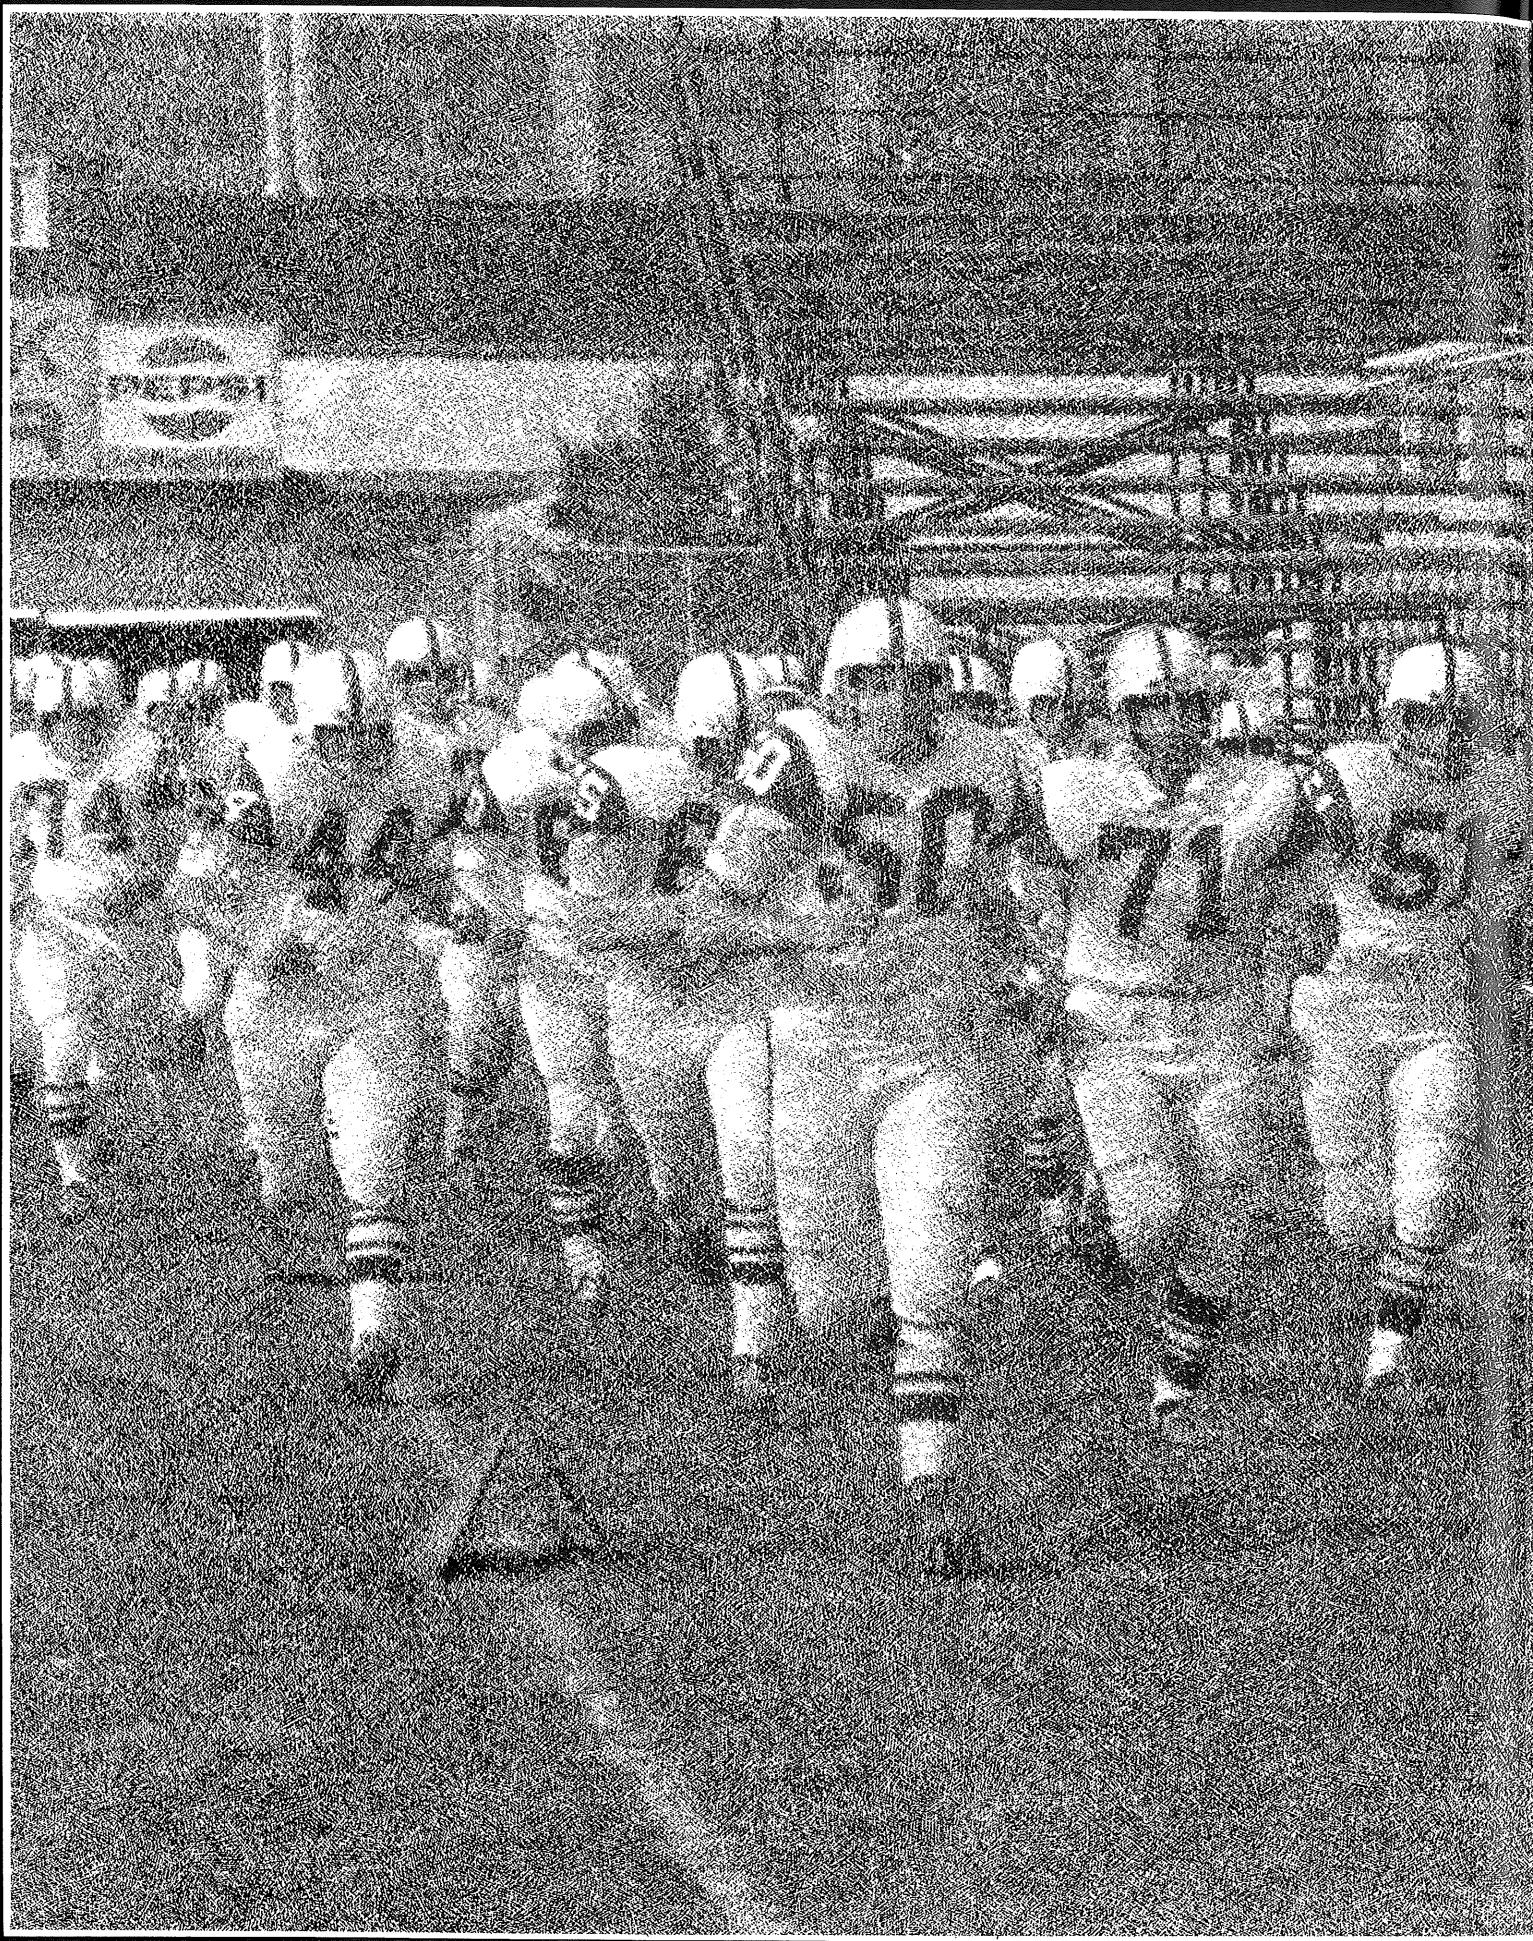

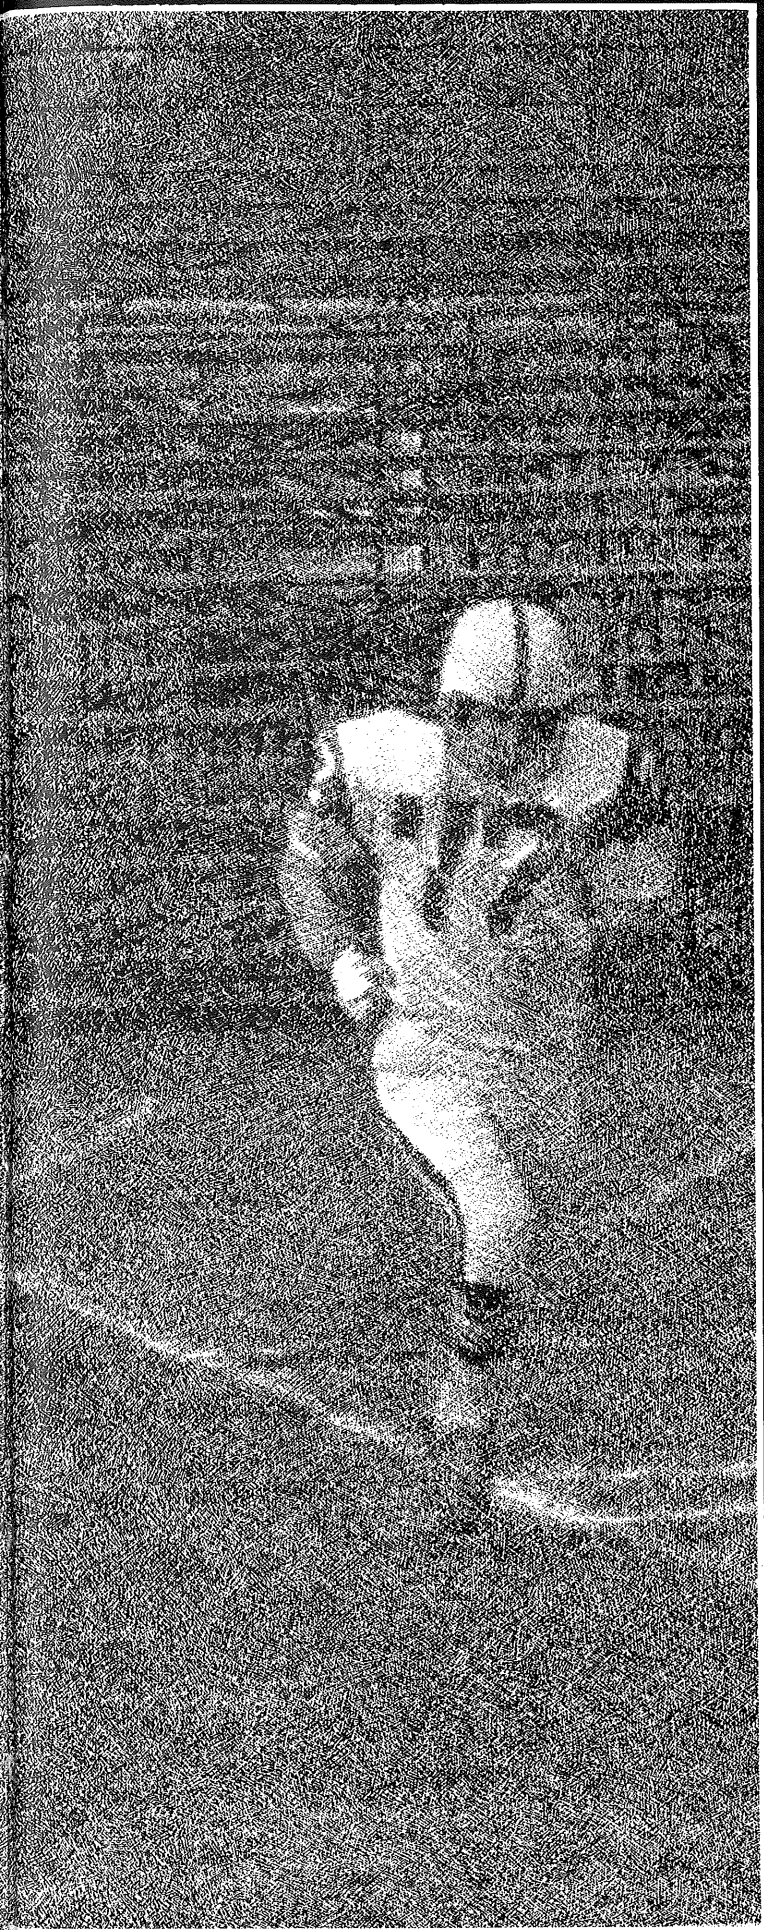

... and it's going to be a long
time gone."

— David Crosby —

Seniors smile
Through their tears
As they perceive
Dawn's light on
The horizon.
Graduation is at hand.

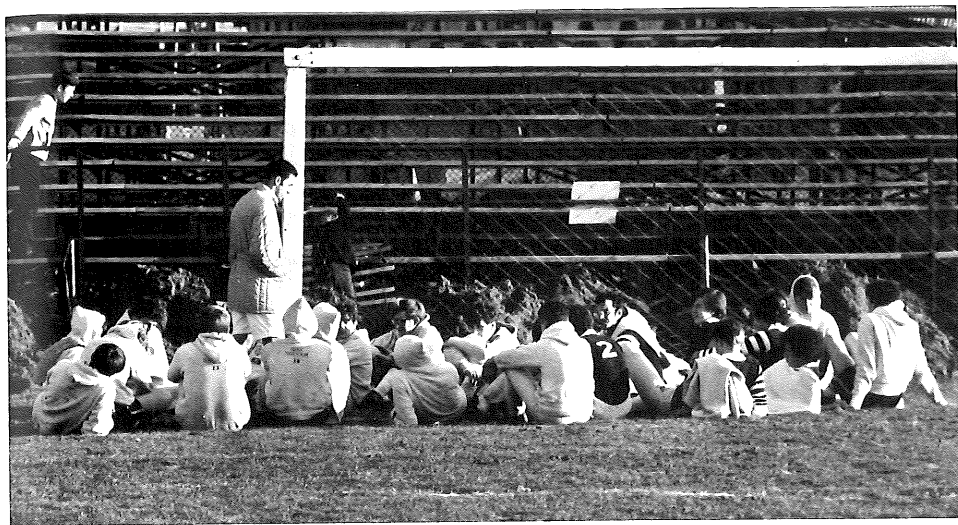

Sports

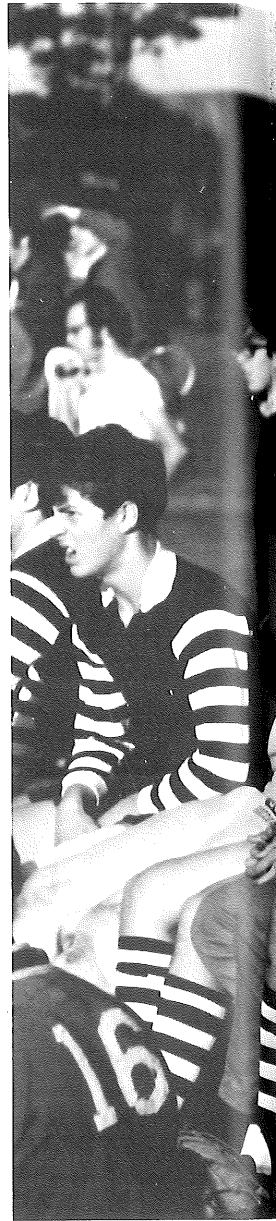

Soccer — Best Yet

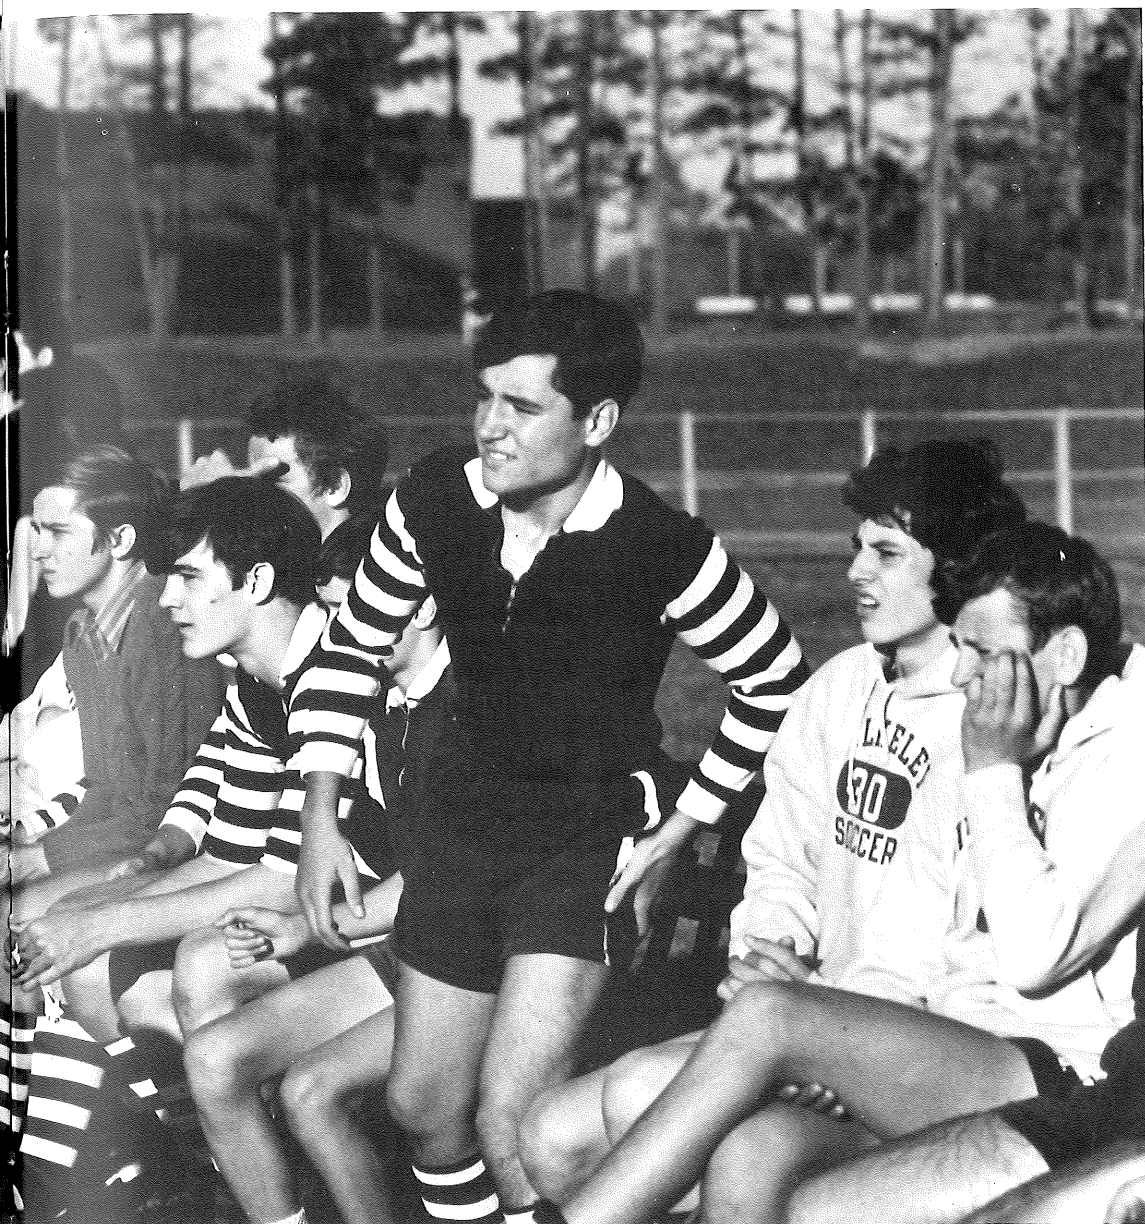

With a little help from God
At times,
BHS booters had their best
Season yet.
Posting 8 wins, a school record,
The booters made 2 of the only
3 goals scored against
Class B State Champs
Windsor Locks.
The team went wild
Scoring 6 goals
Against Enfield.
Another school record.

Despite these accomplishments
The team
Was not selected
To play
In the state tournaments.

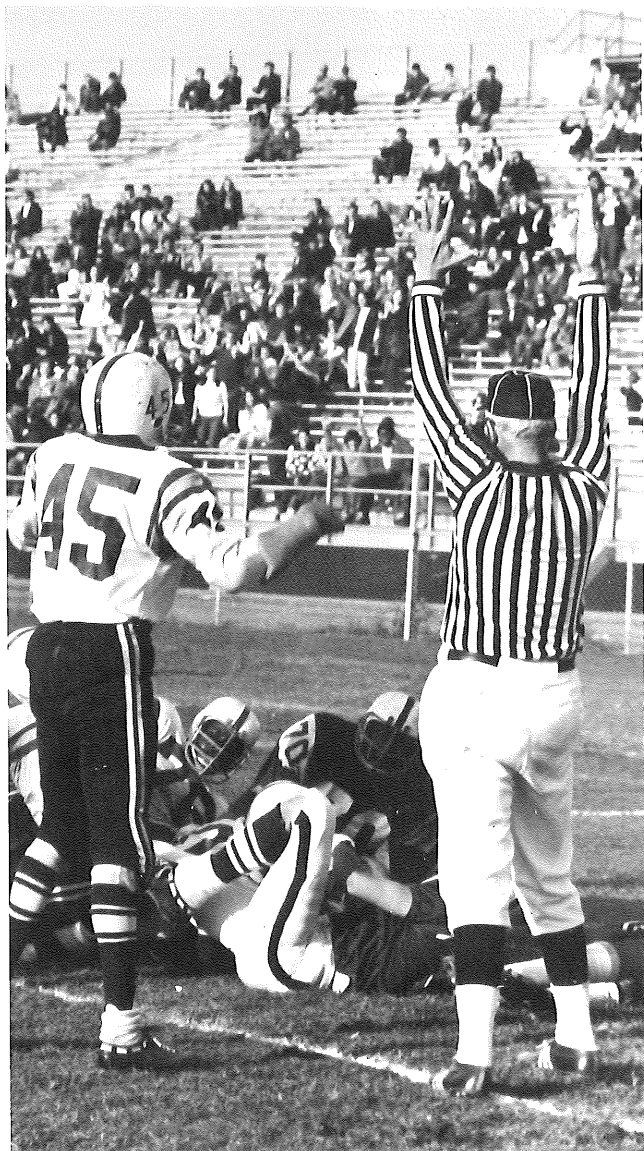

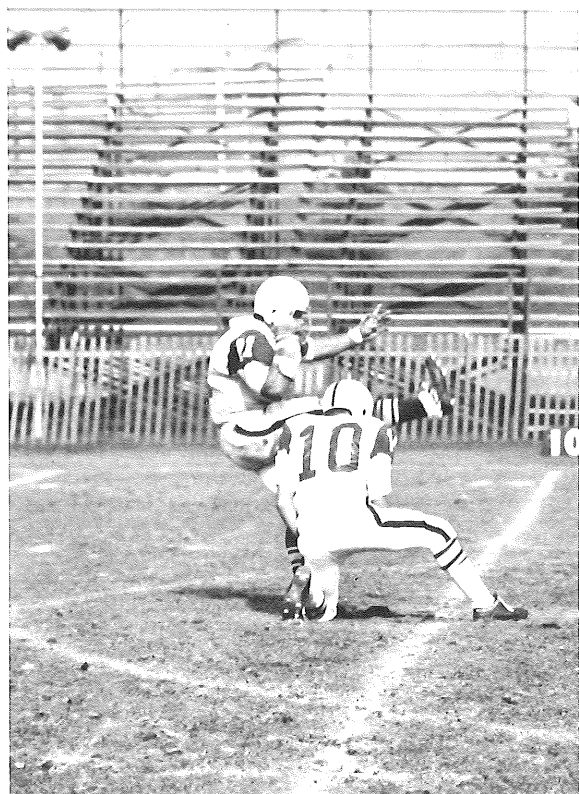

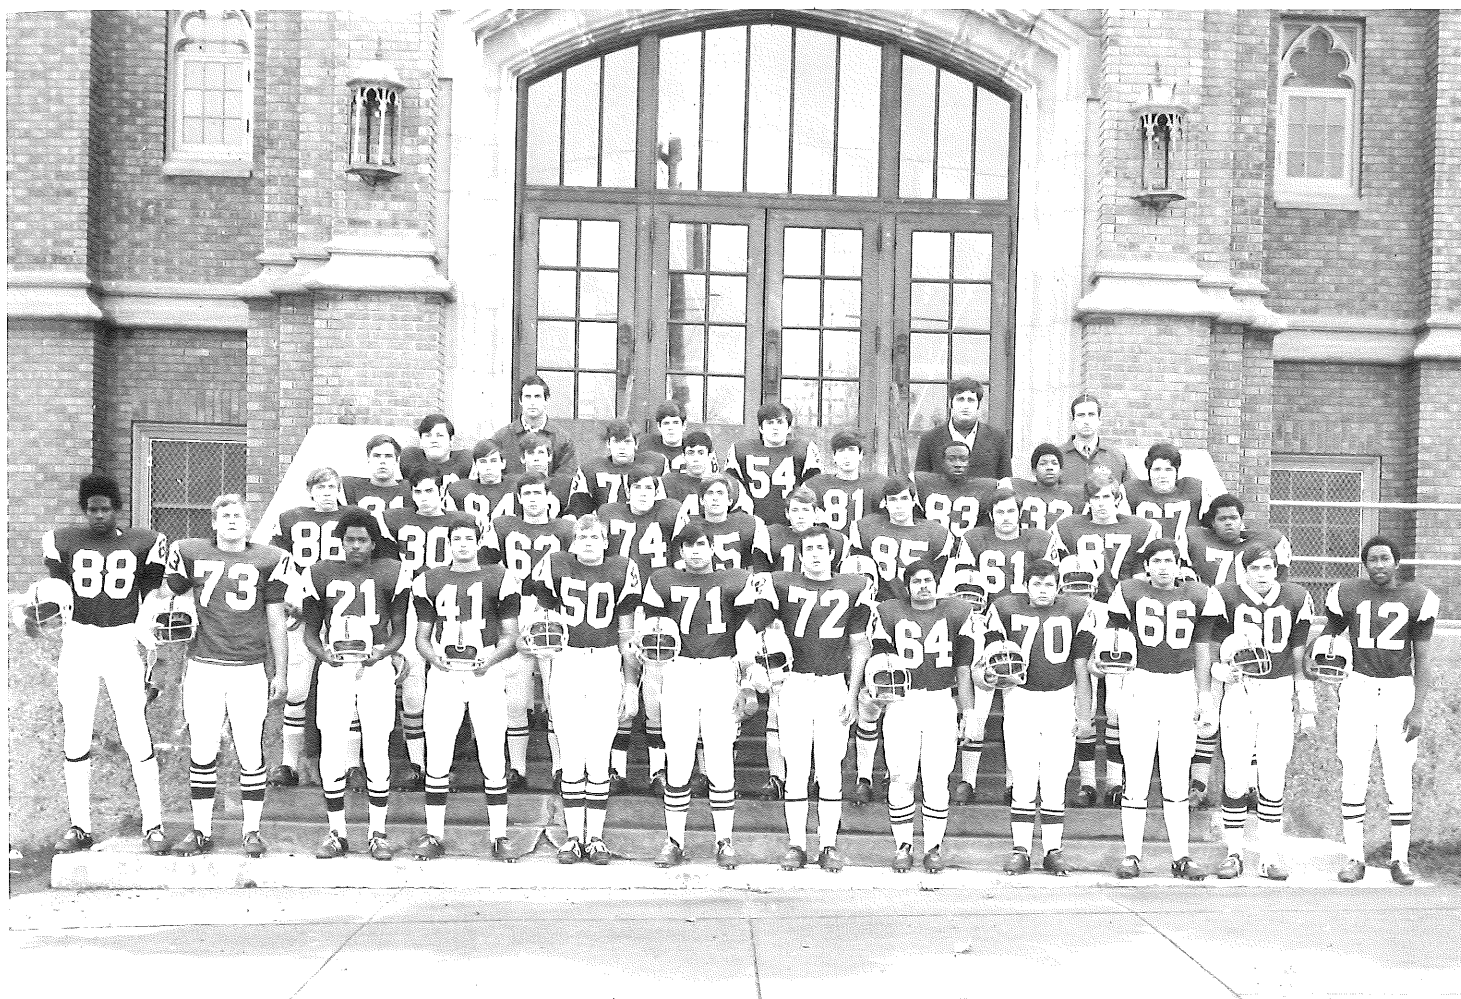

Top scorer
Roman Kowal,
With help from
Fellow seniors
La Rosa, Dias,
Gradante, Sawyer,
And Szaraburak,
Picked up two wins
Against Weaver
To capture a share
Of the
City Crown.

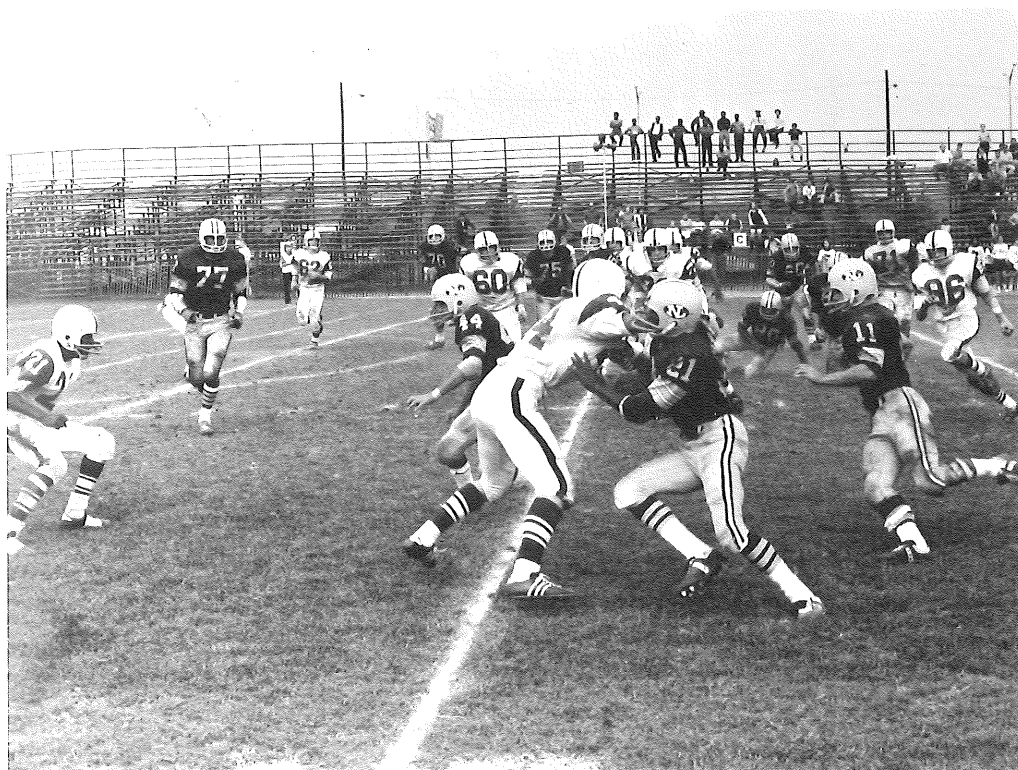

Football — The Maroon Gang

Pre-season sweat brought high hopes.
 Two straight victories and
 The gang was on its way.
 Then heart-breaking defeats made
 Each game vital.
 Capasso's foot put Bulkeley back
 Into winning ways
 With a 10-7
 Victory over Norwich.
 Co-captain Roche plugging holes,
 Milward and Wood constantly
 Churning out yards,
 The other seniors Gatty, Ambrogio,
 Floyd, Zajac, Phillips, Aiello
 Making every game effort
 Complete.

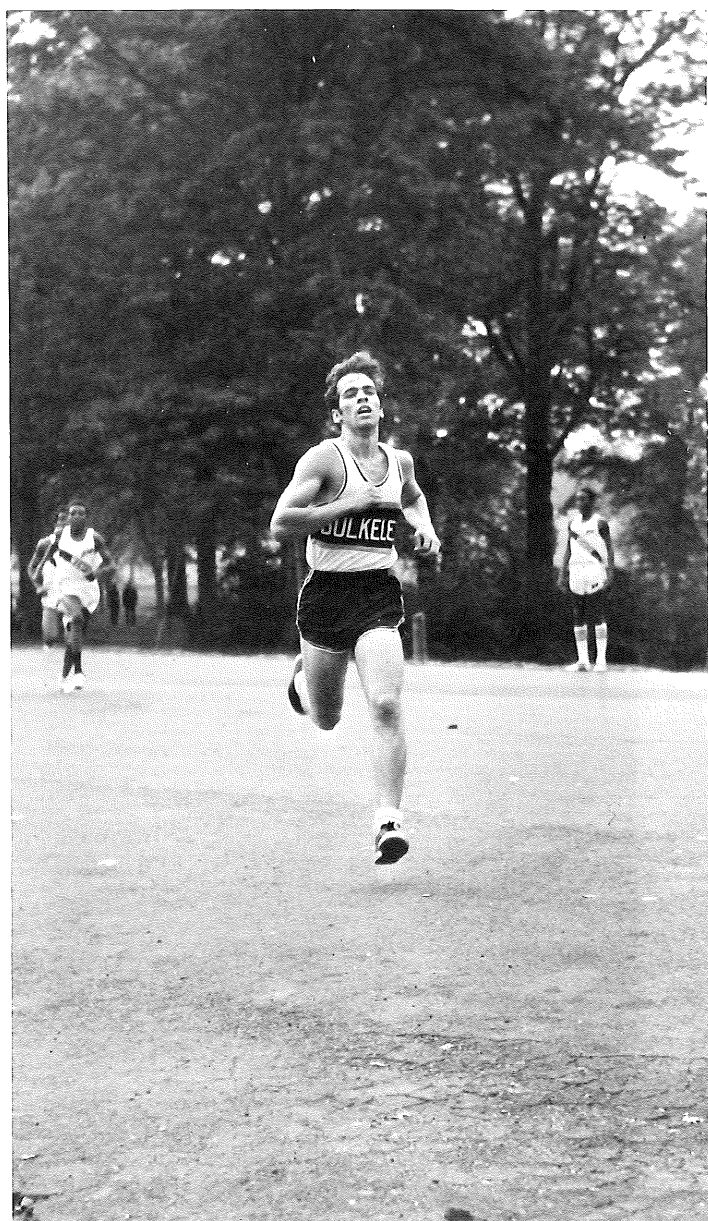

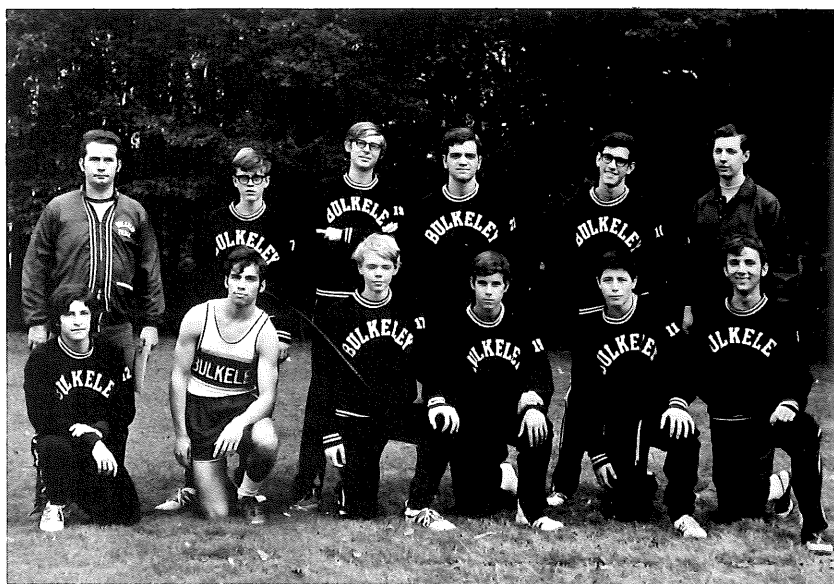

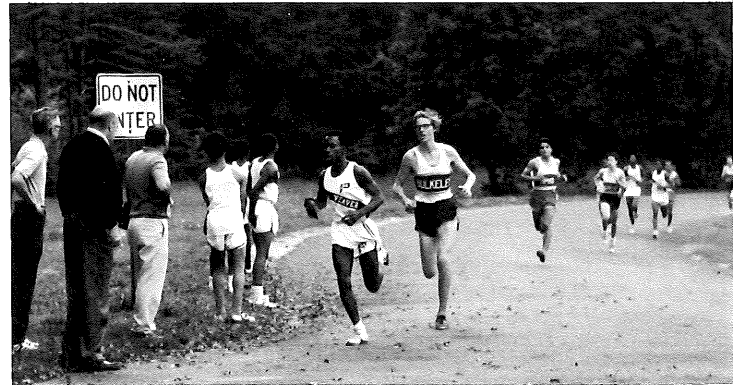

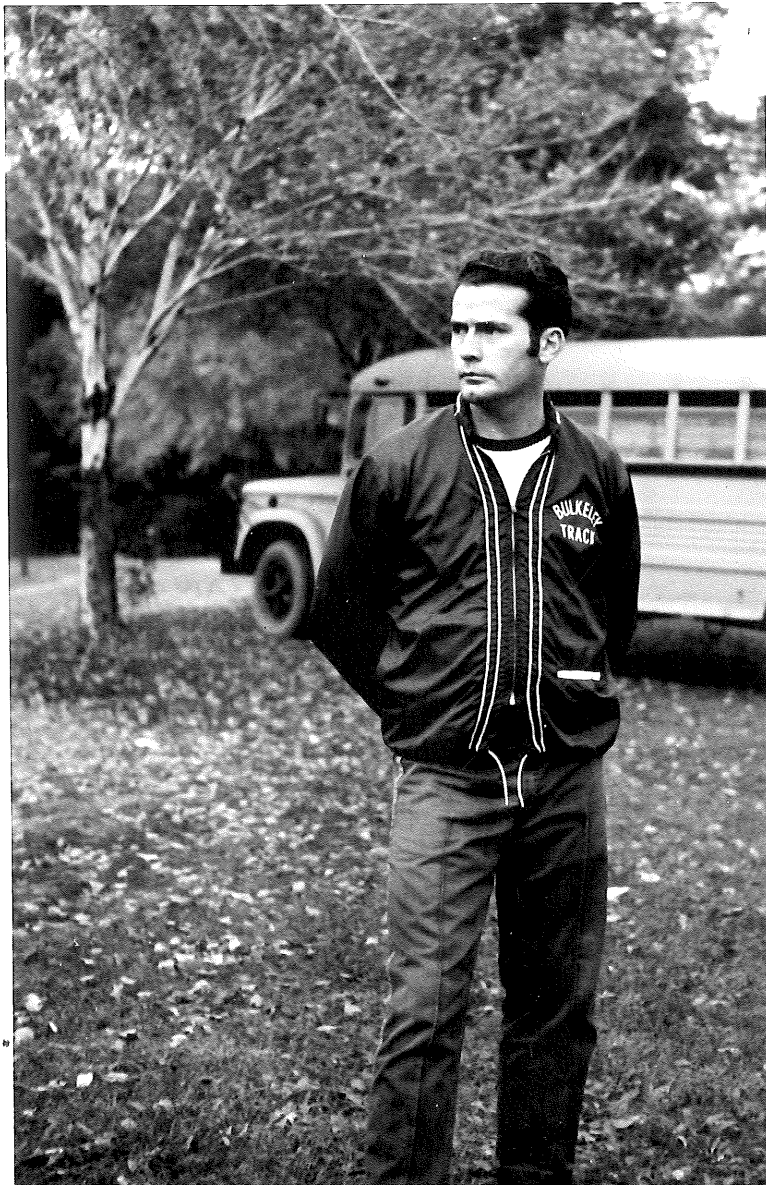

The outcome;
A 4-4-1 season.
Bulkeley football
Is back
On its feet.

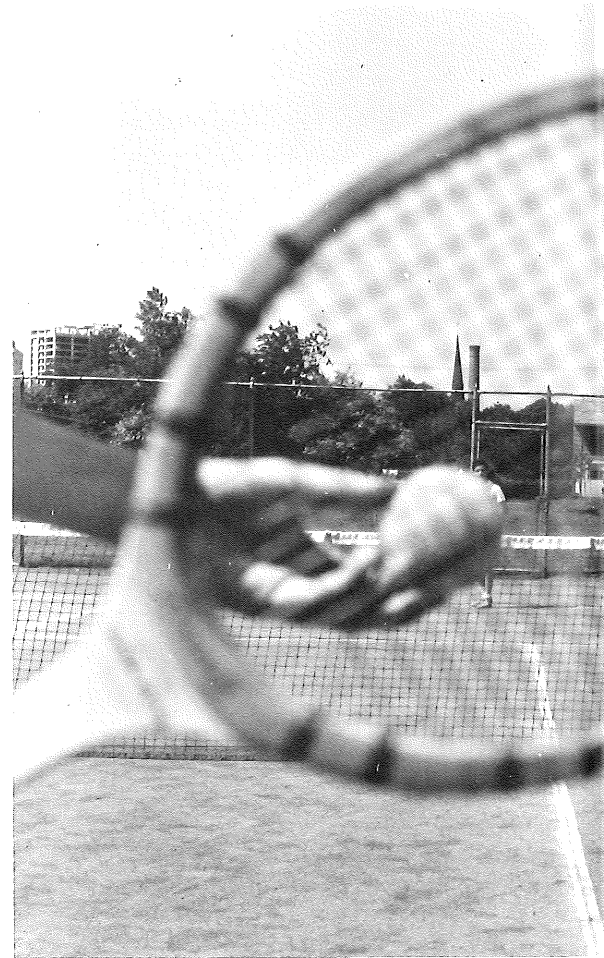

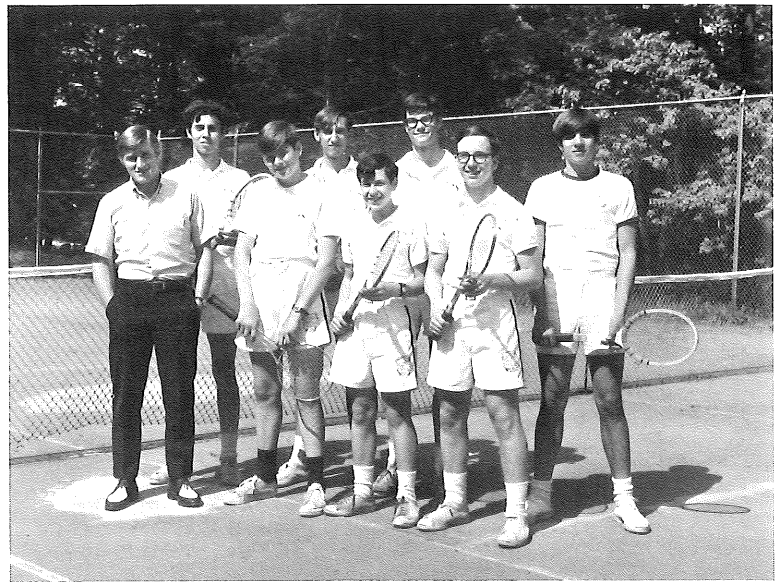

Cross Country — The Loners

Step after step,
 Mile after mile,
 Cross Country fell short
 Of expectations.
 Plagued by
 Injury after injury
 The Harriers found it difficult
 At times to field
 A full team.
 Captain Neal Moylan,
 And other seniors
 Kramar and Delucca
 Were among many
 Who ran injured.
 Bright spot, Dave Seymor
 Provided most of Bulkeley's pts.,
 Which resulted in a 3-10 record.

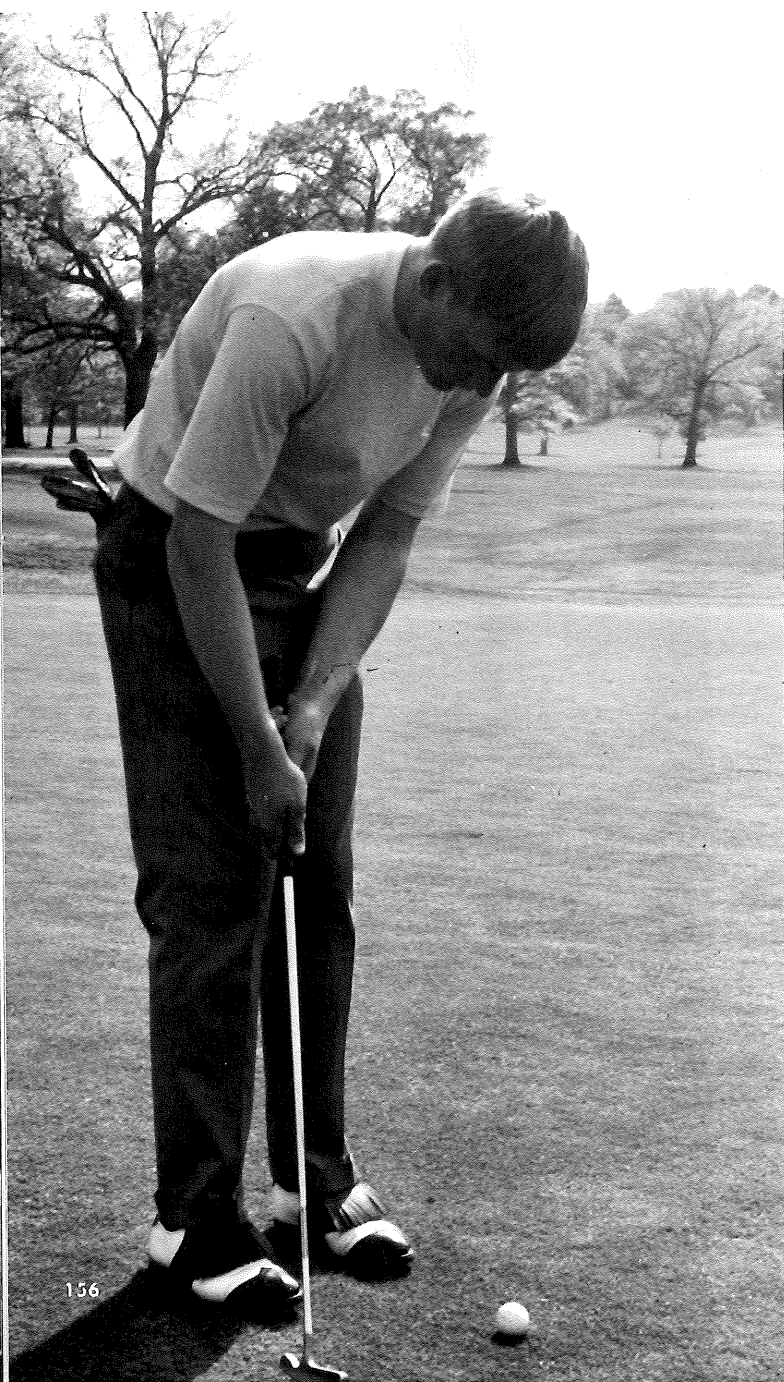

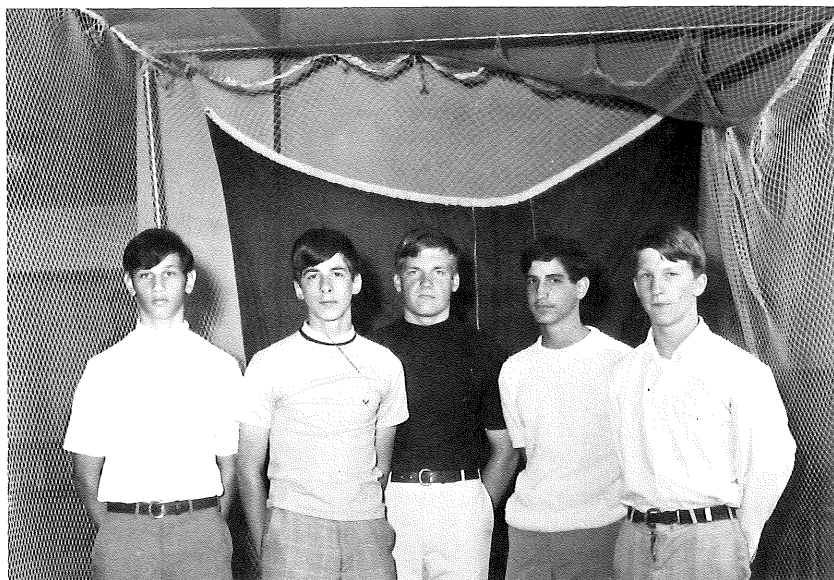

Last year's coach Mr. Perkins,
Has left for Yale.
The netmen look to the
History Department and the
Sturdy advise of Mr. Vandervliet
To guide them against
The perennially strong
Bulkeley opposition.
If the sun comes out,
Experts foresee seniors
Ihor Mereszczak, Paul Catalana,
And Peter Yednorowicz
Going all the way.

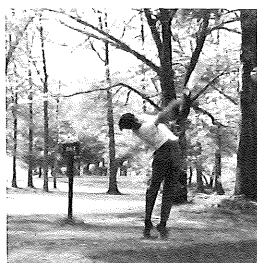

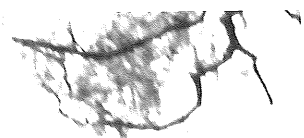

Tennis — The Swift Swatters

Golf — The Return of Jungle Jim

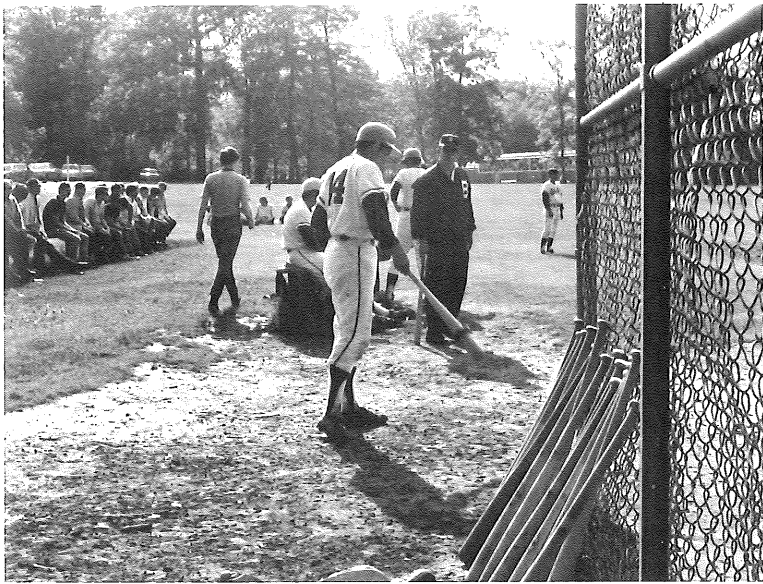

Coach Jungle Jim Sutor swings
 Into another golf season.
 The team only lost one member
 Of last year's squad,
 And with Ed Phillips,
 This year's only senior,
 The future looks promising.
 Gilbert, Angeloni, Conforto
 And Zendzian add a depth
 To the "71" season
 That is expected
 To be envied by rivals.

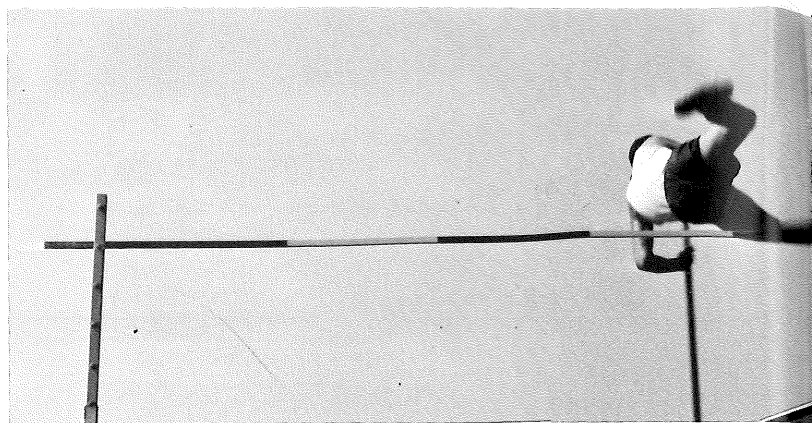

Bulkeley sluggers come onto the
Diamond this season
Looking to improve last year's
Record and remain
City Champs.
With returning lettermen
And capable underclassmen,
Coach Kokinis will have a team
More than capable of
Standing up to
Fierce C.D.C. competition.

Baseball — Bulkeley Baggers

Track — No More Pussyfooting

With the loss
Of only 4 seniors
From last year's team
And the surprising
Ability of underclassmen
Bulkeley track
Will be ready
To face opposition
Head on.

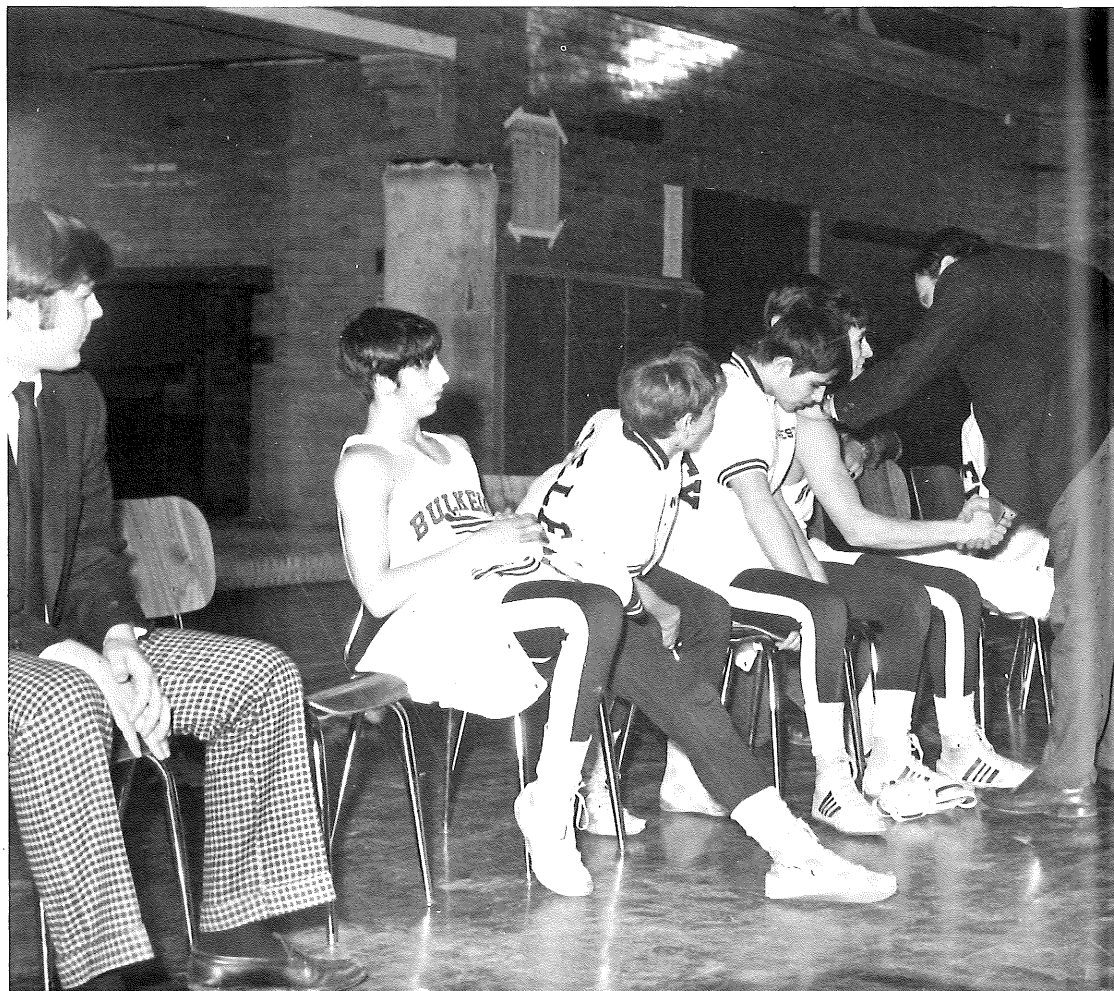

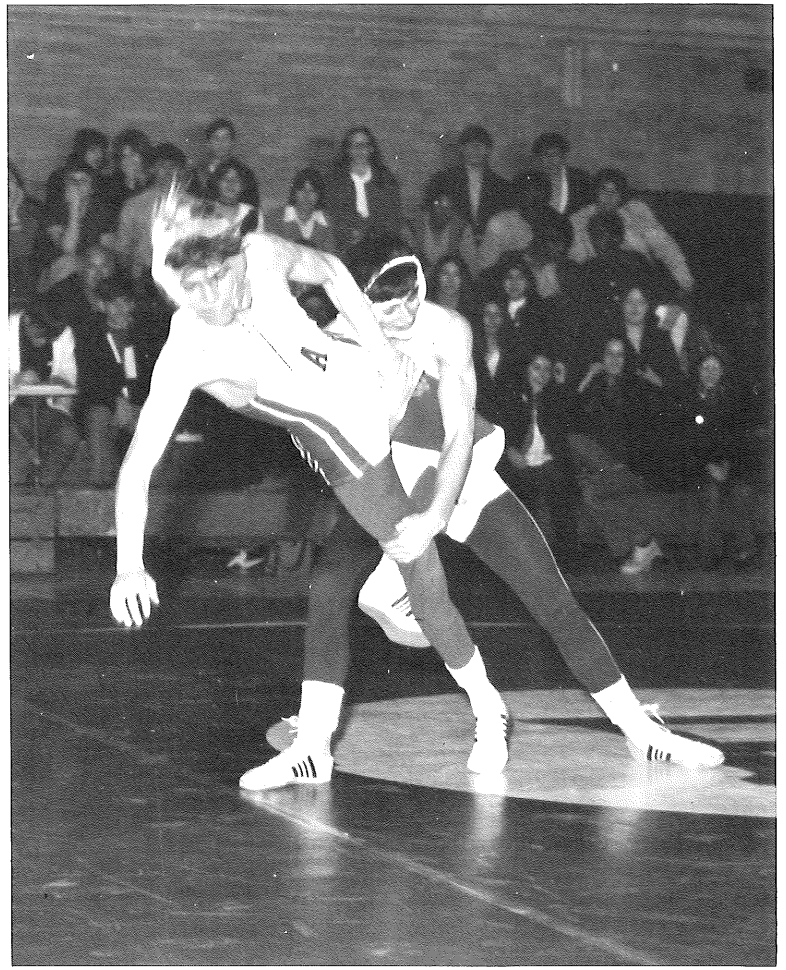

The team will try
 To gain another
 South-End Championship.
 In 70 they did so
 By beating South Catholic
 On two occasions
 By the identical
 Score of 72-68.
 Supporters will remember
 Neal Moylan's
 Irish green socks.
 The trackmen
 Will remember Doc "Oc's"
 Soothing heat treatment,
 And cure all wrapping.

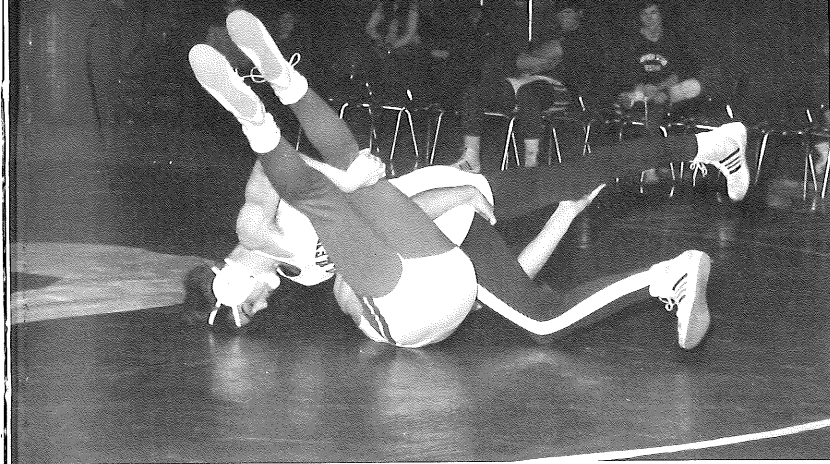

Wrestling — Demolition Derby

H.P.H.S. shuddered, Weaver cringed,
And all other C.D.C. opposition
Simply shriveled up in terror
At the very thought of facing
Bulkeley's demolition crew
Of the wrestling mats.

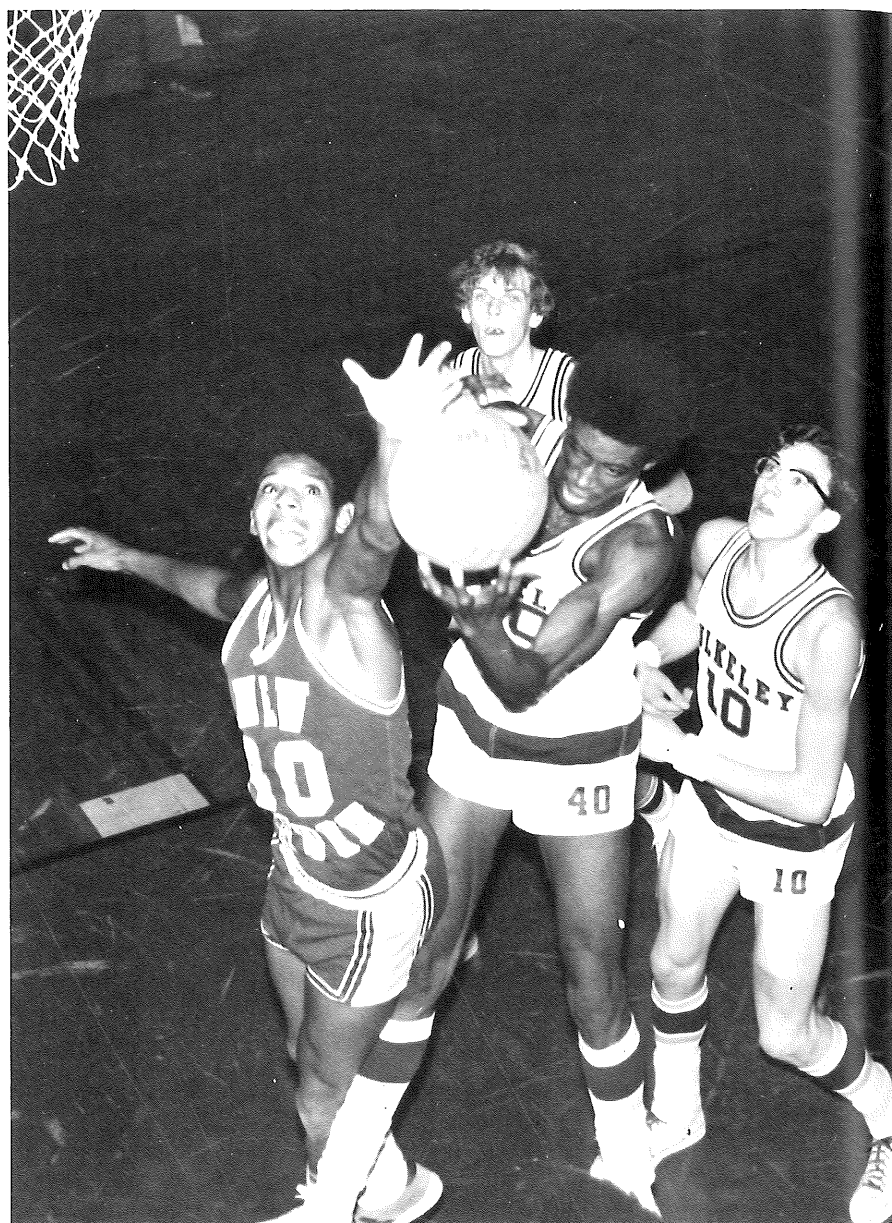

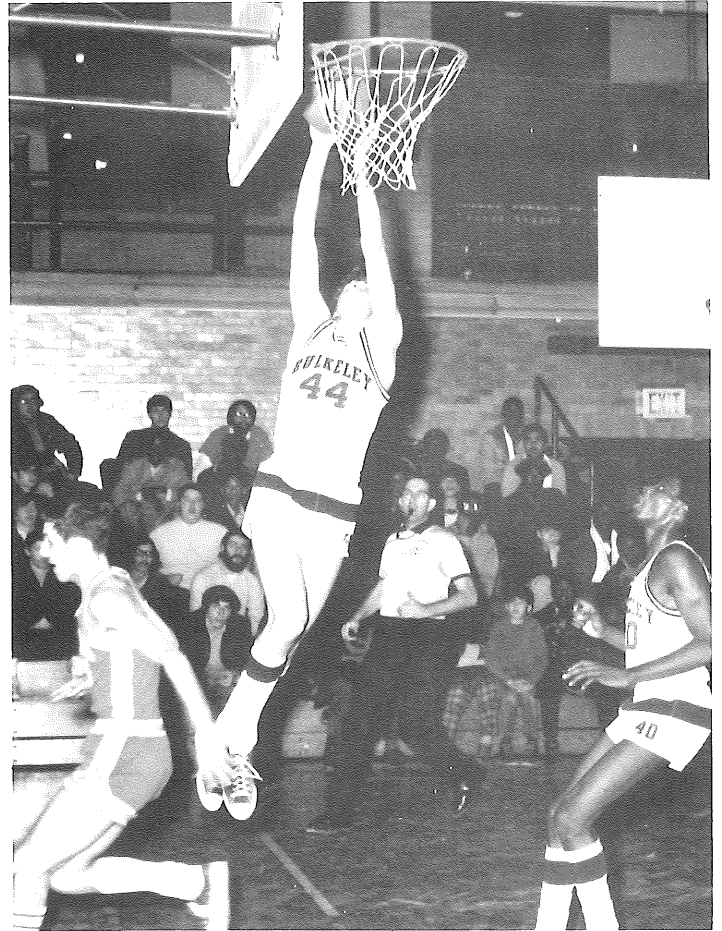

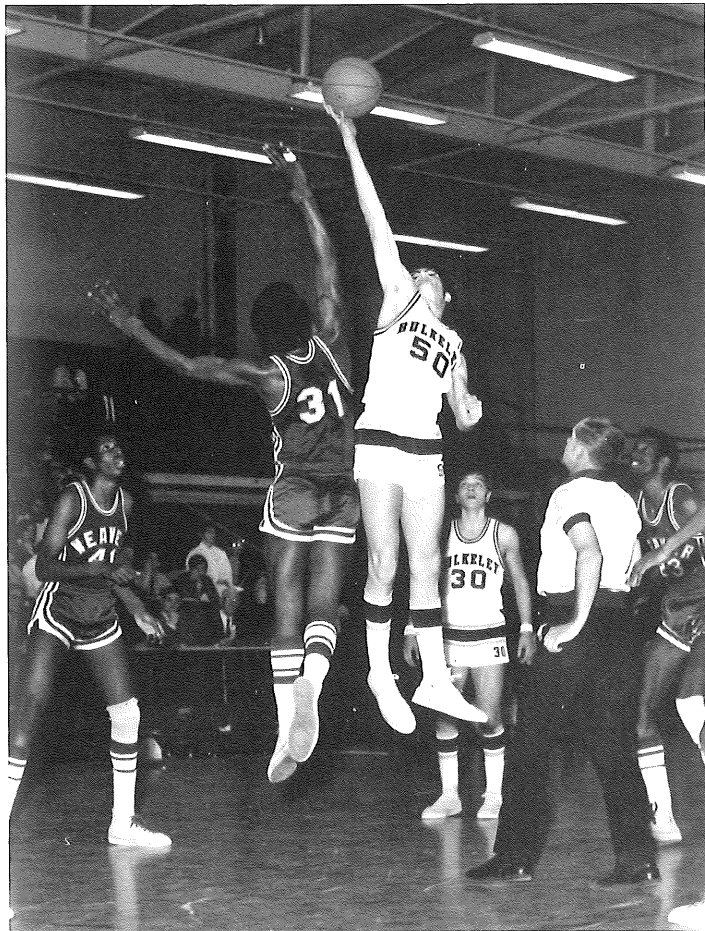

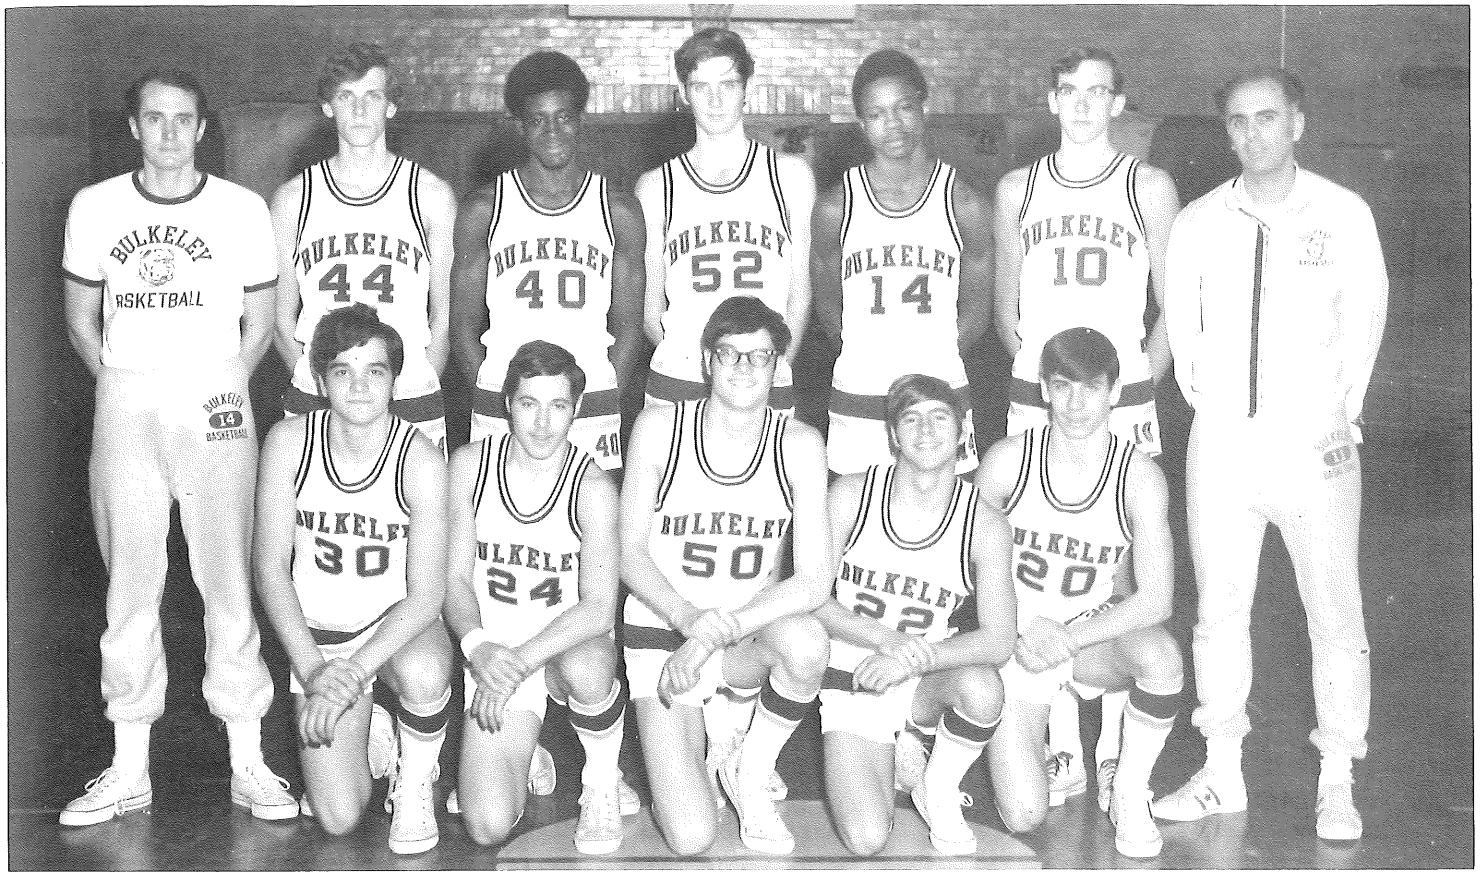

Unbeaten Co-captains Kowal and Milward
Lead the team to City Series
And C.D.C. Championships as
Coach Vertefeuille's grapplers
Outscored league competition
241 to 62.

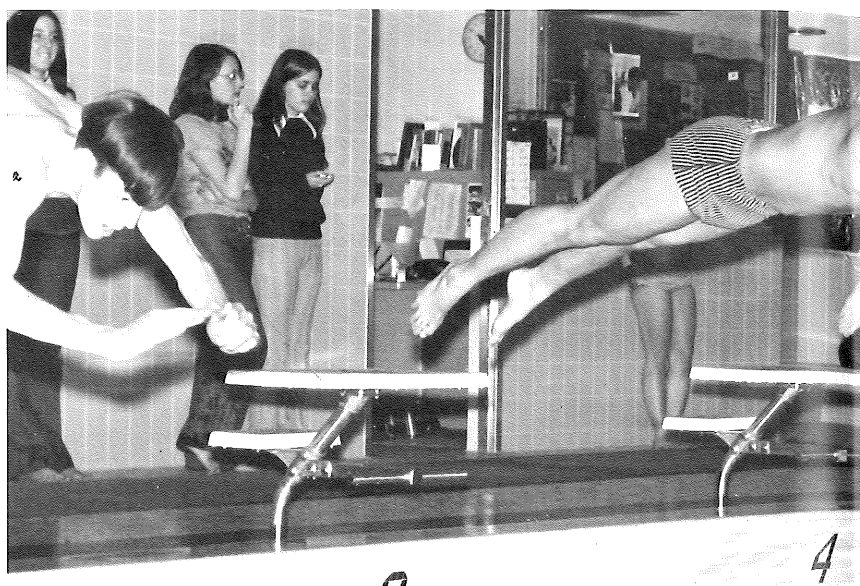

Basketball — A New Awakening

Bulkeley's hoopsters proved that
They couldn't be held
In last years C.D.C. cellar for long.
Most impressive this year were
A 68-67 battle with Weaver
That was just lost in the
Final seconds, and
A 116-64 destruction of the
East Hartford club that kept
Bulkeley in the cellar last year.
Coach DiChara's team posted
Their best record in three years
With only four seniors —
Jim Kapral, Paul Catalana,
Mark Snyder, and Dennis Pierz.

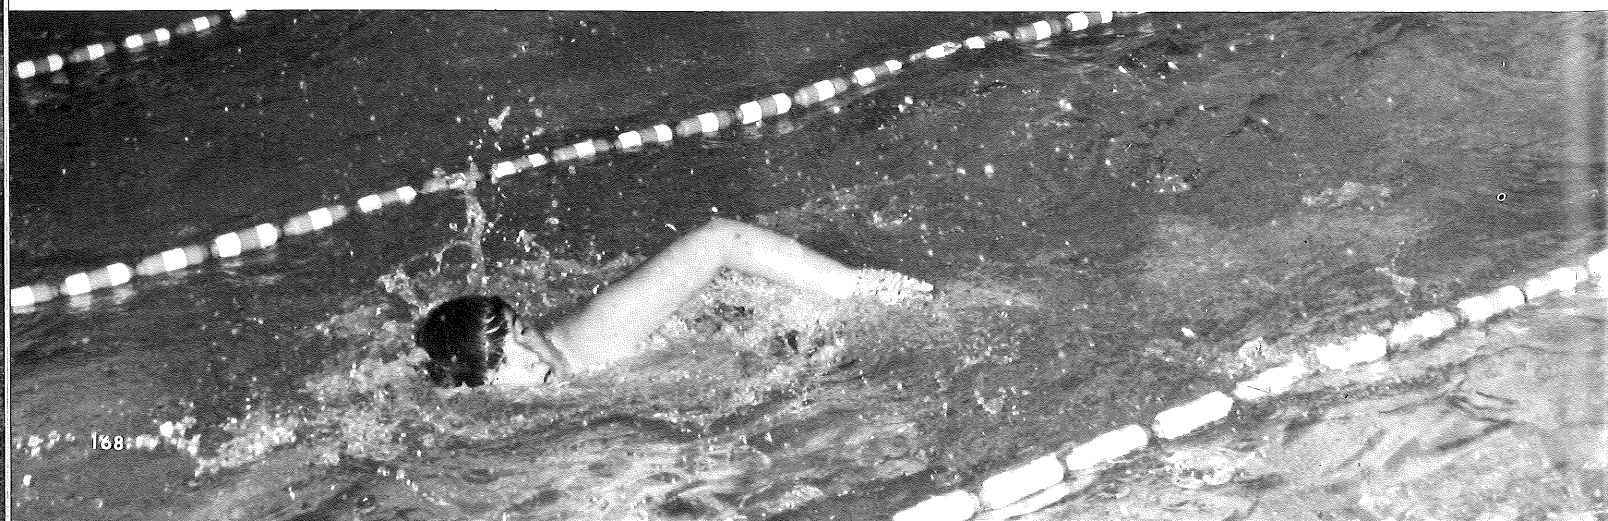

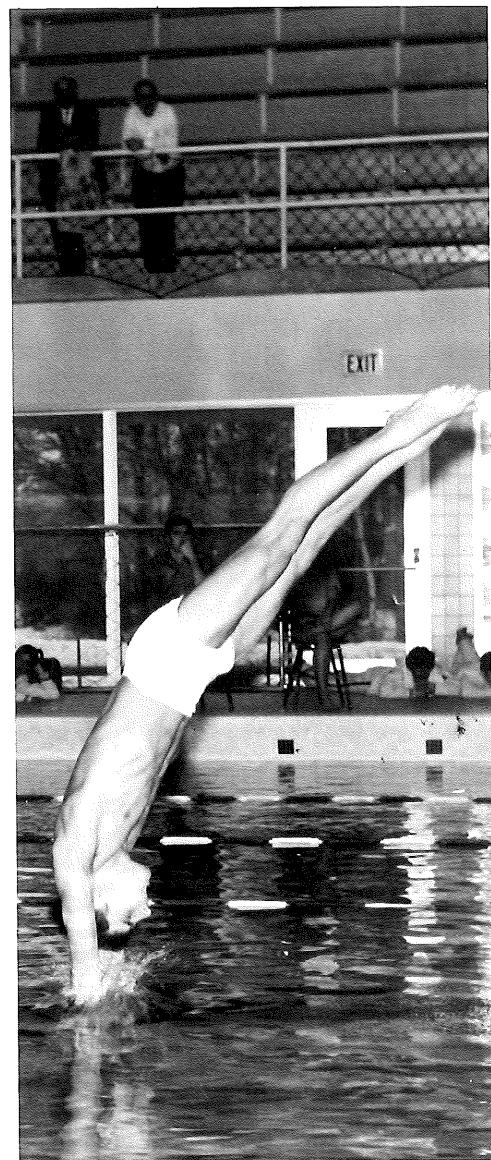

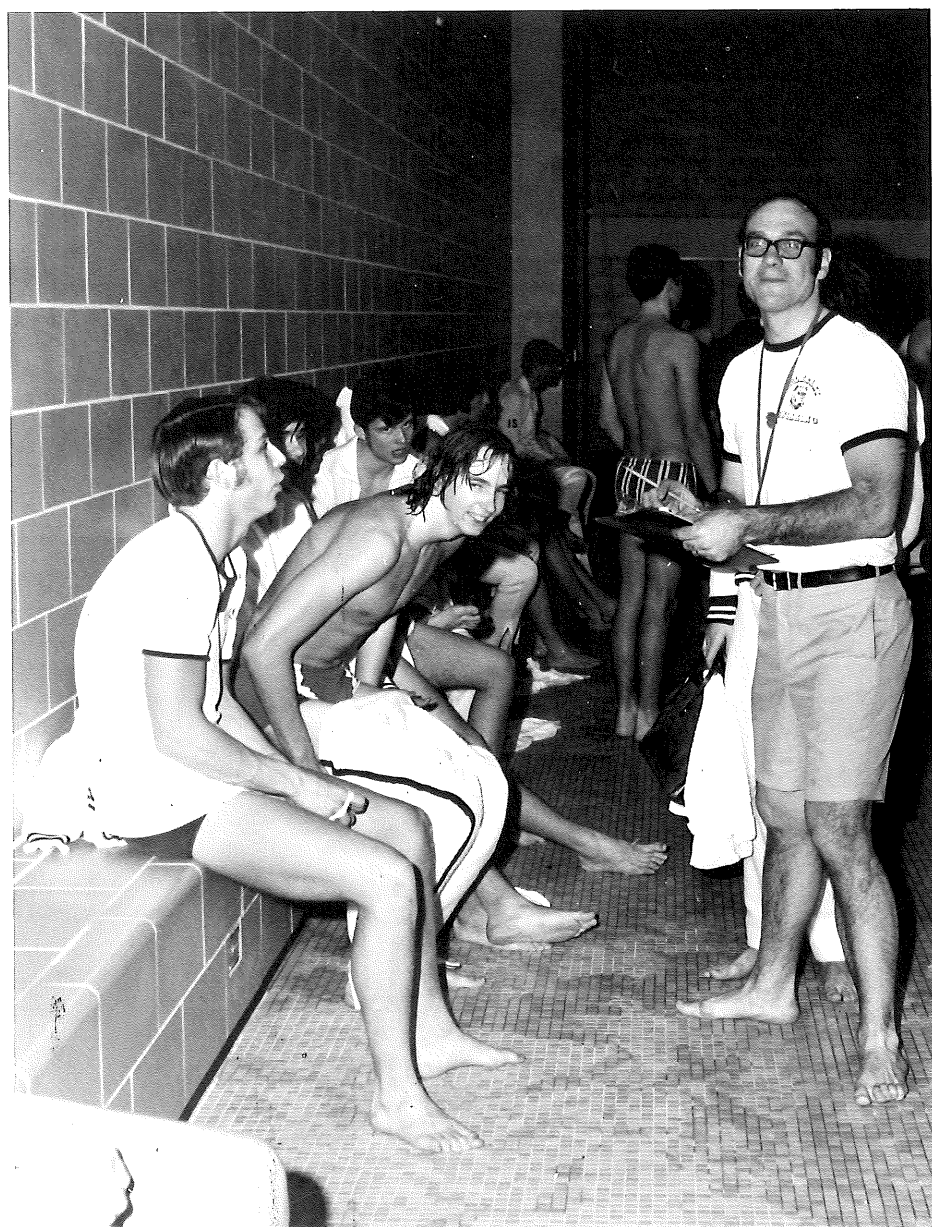

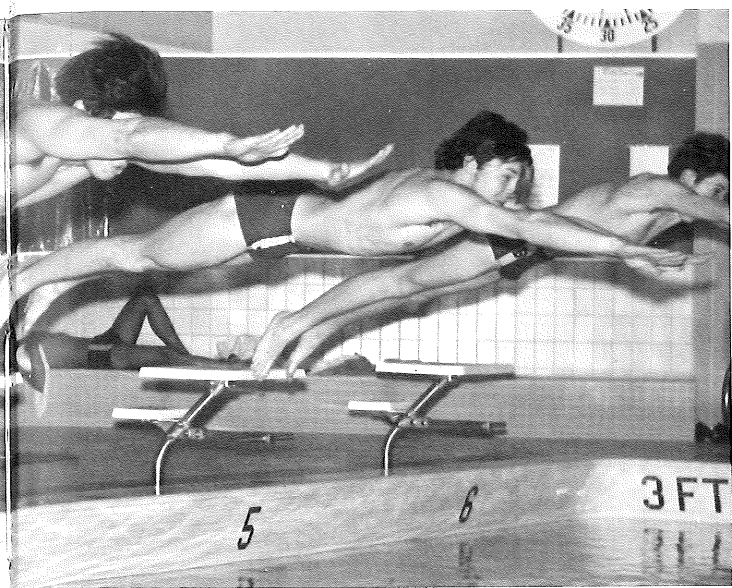

Swimming — The Big Splash

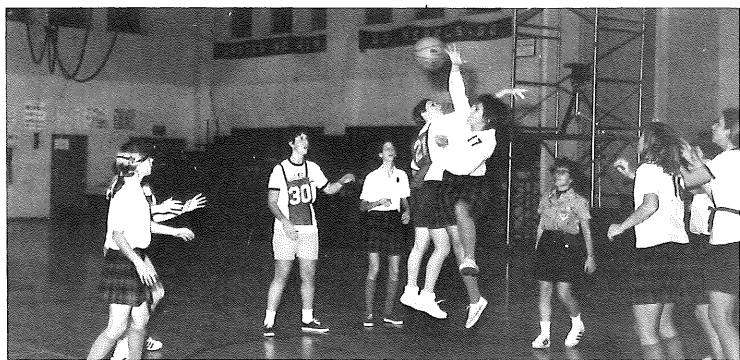

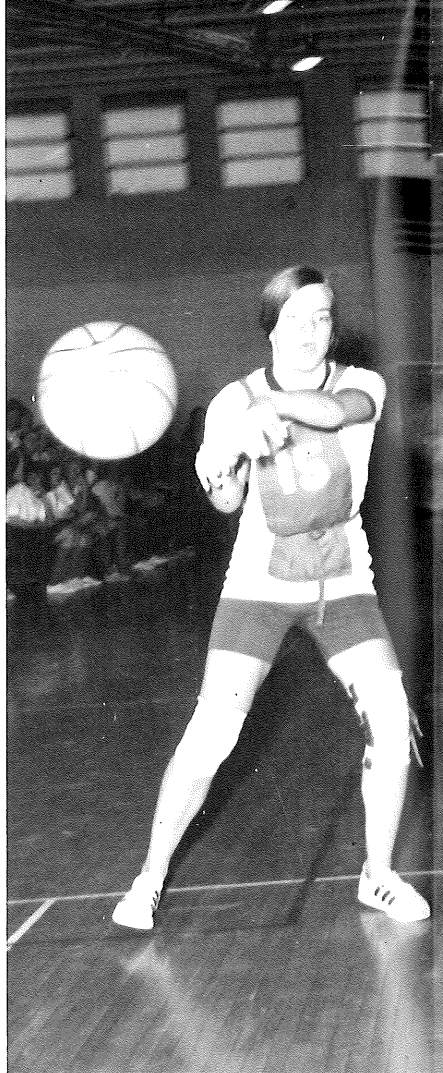

The Bulkeley Bullfrogs became
Rulers of the pond, leaping
Over all league opponents for
The C.D.C. and City Series
Crowns.

Coach Brophy's swimmers smashed
Record after record as they
Swam their way to a season
With only one defeat,
A heartbreaking loss to Conard.
The team was led by seniors
Tony LaRosa, Curt Meyer,
Charles Pawlowski,
Tom Christensen, David Anderson,
Pete Boucher, and Jim Serpliss.

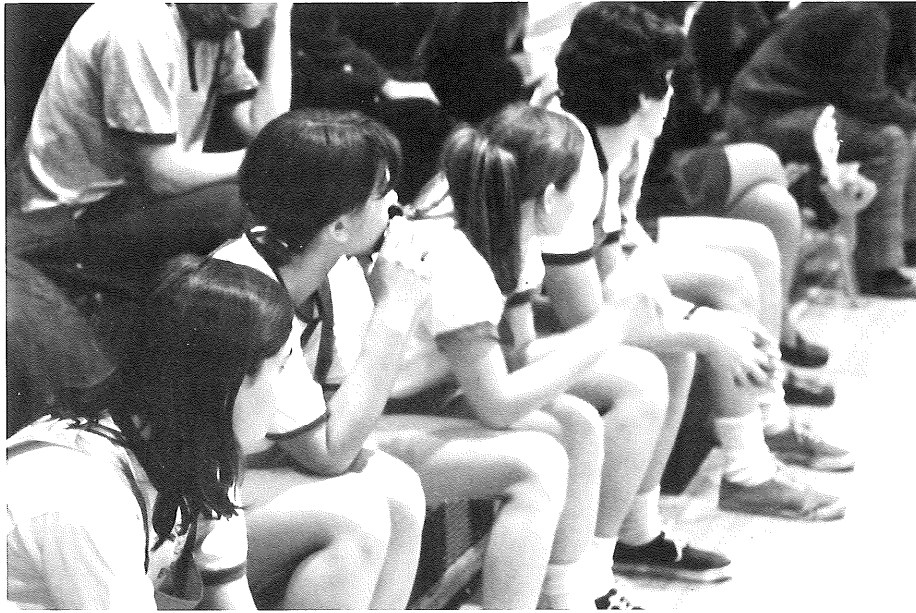

Despite
Locker room scrimmages
And
"Slum Kid" backgrounds,
The
Girls' Basketball Team
Has
Retained it's position
As
Number one in Hartford.

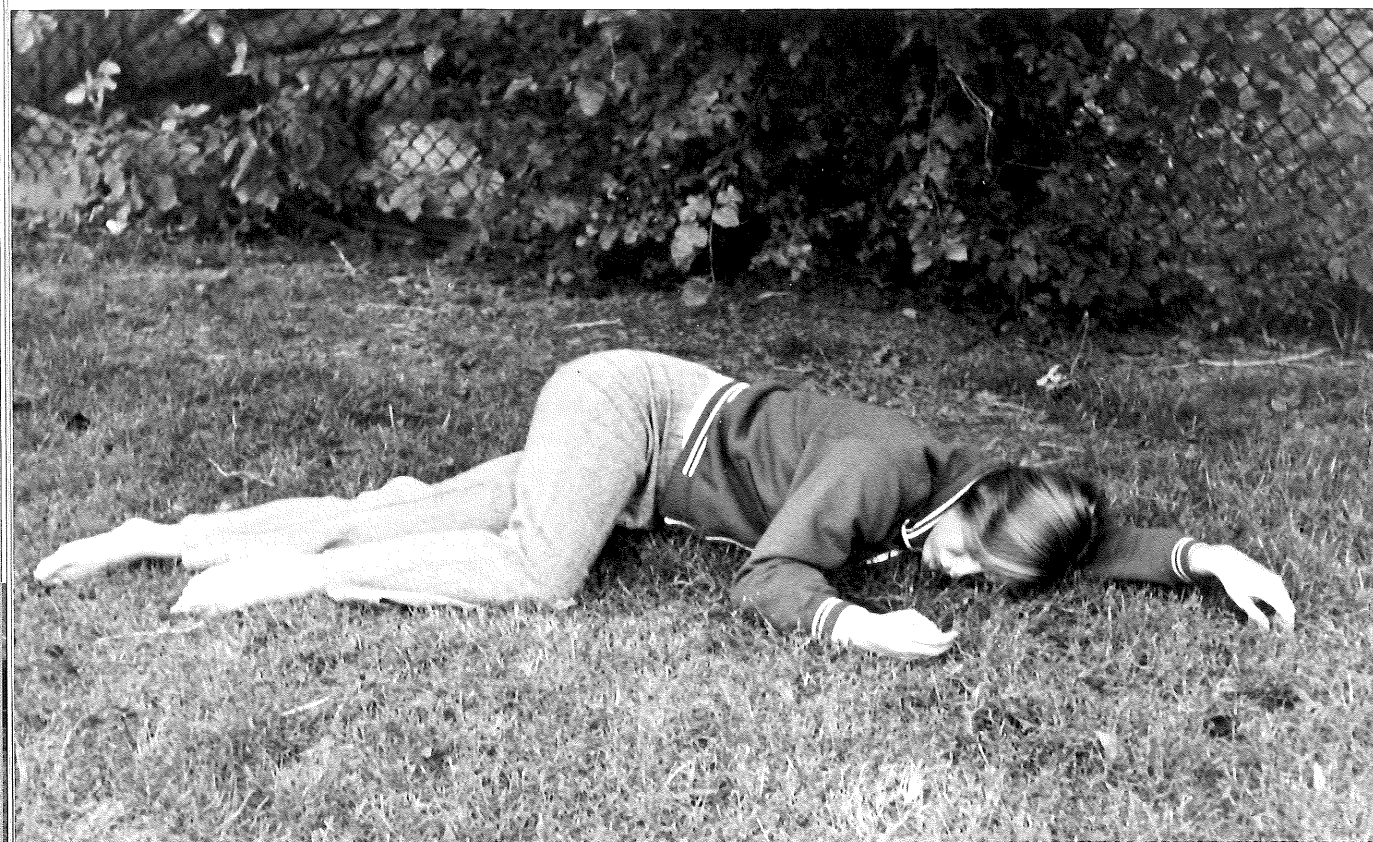

Dribbling to Victory

Led
By co-captains Fran
Calafiore
And Mary Clough,
The
Team ended the
Season
With a 5-2 record.
Mary
Averaged twenty-five
Points
Per game.

Olympic Material

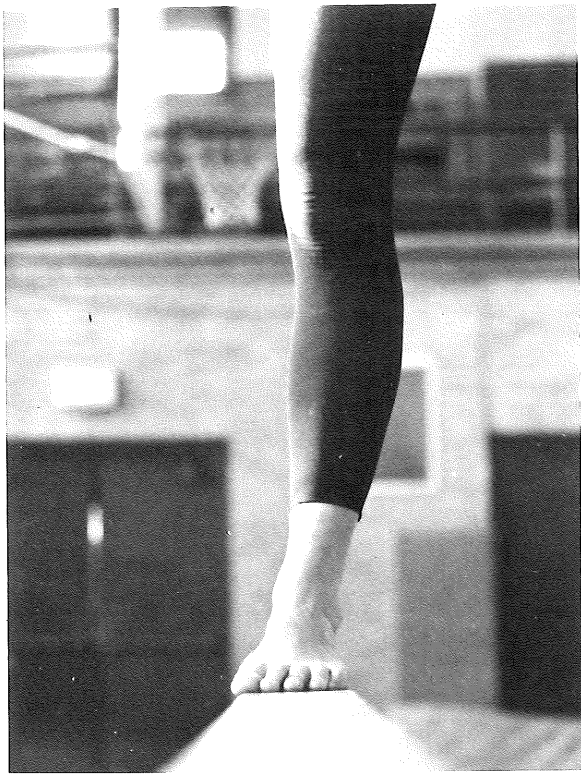

BHS is one of
 The few schools
 In the state
 That can boast of
 Both a girls'
 Cross-Country and Track Team.
 Although such teams
 Lack official status,
 Our newly-organized
 Teams are far from
 Lacking in fortitude,
 Endurance,
 Team spirit, and
 Good sportsmanship.

Varsity and JV squads
Rouse crowds
At rallies and
Sports events
With spirited
Cheers and enthusiastic
Appeals for
Team support.

“All for Bulkeley Stand Up and Holler!”

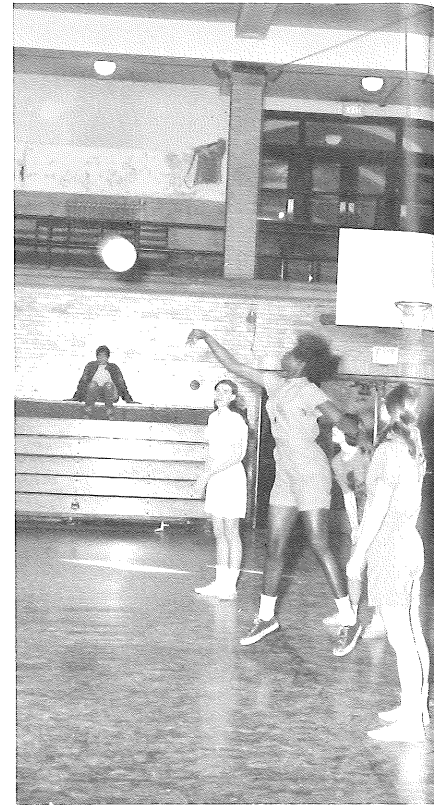

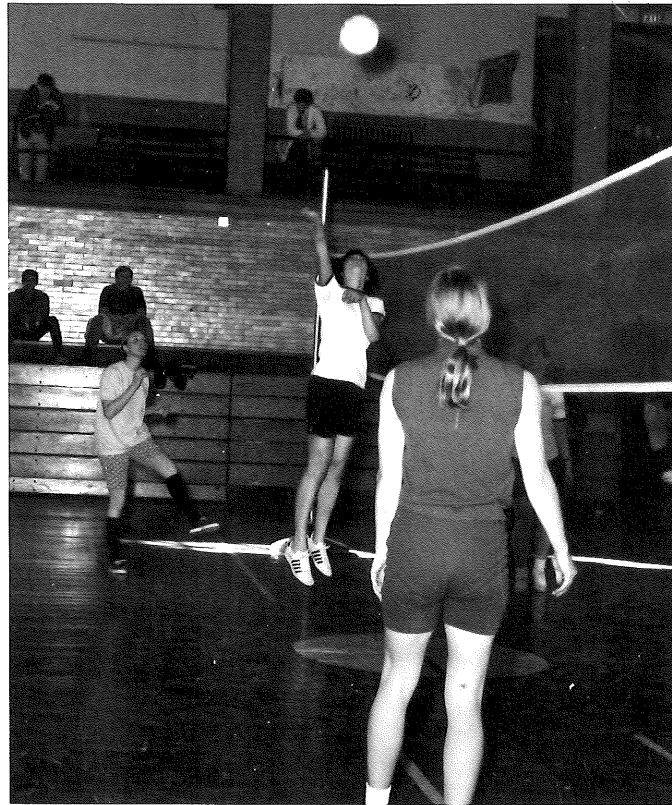

Into a Roll . . . Out From a Pretzel

Balancing on the beam,
Vaulting over the horse,
And whittling waists with
Common calisthenics,
The girls have their own
Early morning adventure-
Hour.

They twist and stretch,
Bend and flex
In preparation for
City and state meets.

Service With a Smile

Returning the
Opposition's serves
With powerful punches
And super set-ups,
The varsity and J.V. teams
Spike their way
To the city volleyball
Tournament.
In early March
The regional playdowns
At Hall High
Hopefully lead
To entry in the
C.C.S.C. finals.

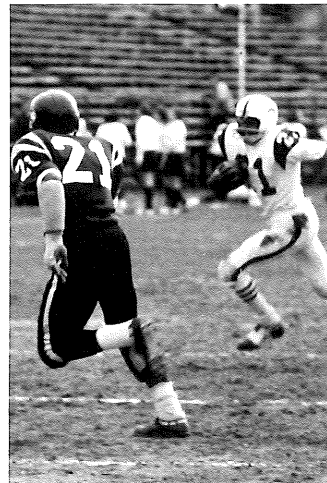

Building and Preserving
Your Body
Is Necessary
For Survival.

You
Will Be
Convinced.

“Round and round
and round we spin”

— Neil Young —

As we have struggled for survival
In Bulkeley's midst,
So we must struggle for survival
In the new phase of life
We are about to encounter.

Survival, not only physically,
But emotionally and intellectually
As well.

Survival, not only of the being,
But of the uniqueness
And of the beauty
Which encompasses people.
